SECTION 8. COMMITTEE ON MEMBERSHIP: This Committee shall be composed of six (6) members who shall serve a three-year term on a rotating basis. Churches seeking a cooperating relationship with the Association shall present a letter of petition stating its position relative to Baptist beliefs and its willingness to cooperate with and support the causes, plans, and programs of the Association and State and Southern Baptist Conventions. The Committee shall prayerfully and diligently study this petition and make recommendations according to Article III, Section 3 of this Constitution.

SECTION 9. COMMITTEE ON SEMINARY EXTENSION: This Committee shall consist of six (6) members who shall serve a three-year term on a rotating basis. ARTICLE XIII — AMENDMENTS

This Constitution may be amended at any Annual Meeting of the Association by a two-thirds majority vote of the messengers present and voting, provided that written notice be given all members of the Executive Committee at least one week before the Annual Meeting and that any proposed amendments be presented to the first session of the Annual Meeting and voted on at the last session. In the case of either a new or revised constitution, a copy shall be made available to the members of the Executive Committee at least a week in advance of the annual session, ample time and a place on the program be given for its consideration. All proposed changes shall be submitted first to the Constitution Committee for consideration and study.

Bylaws

1. COMMITTEES: Members of all standing committees shall serve a three-year term, and a lapse of one year must ensue before election to the same committee. This does not preclude any person from being elected to serve on another committee. Any officer or committee member serving more than half a term in an office is considered to have served a full term. The expiration date of each committee member's term shall appear beside his name in the Associational Directory.

2. The ASSOCIATIONAL YEAR shall begin October 1 and close September 30.

3. PARLIAMENTARY RULES: *Robert's Rules of Order, Newly Revised,* shall be followed as the Association's rules for conducting its deliberative assemblies.

4. EX OFFICIO MEMBERS: The Moderator is an ex officio member of all committees except the Nominating Committee. The Director of Missions is an ex officio member of all organizations and committees.

"In the Executive Board of a society, if the ex officio member of the board is under the authority of the society (that is, if he is a member, officer, or employee of the society) there is no distinction between him and the other board members. If the ex officio member is not under the authority of the society, he has all of the privileges of board membership, including the right to make motions and to vote, but none of the obligations." *Robert's Rules of Order, Newly Revised,* p. 402.

5. REPORTS: Written report to appear in the annual minutes shall not exceed three hundred (300) words except for History and Statistics.

6. MEETINGS: Between annual meetings of the Association, it is recommended that Monday evenings be used as far as possible for necessary associational activities.

7. AMENDMENTS: Amendments to the Bylaws may be made at any session of the Annual Meeting of the Association when presented in writing at said meeting and approved by a majority of messengers present and voting.

A Key Leadership Conference was held at Newport Baptist Church. A good meeting was the result.

Since 1982 the Brotherhood enrollment has increased from 461 to 867 in the Atlantic Baptist Association.

Building and Grounds Committee Report

The Atlantic Baptist Association Center Building was washed and cleaned of mildew accumulation and then a fresh coat of paint was applied to all exterior wood.

A sensor night light was placed in front of the building to aid in leaving the building after all other lights have been turned off.

Two new portable tables were placed in the conference room making a total of six now available. A brick marker displaying the name of the Atlantic Baptist Association Center on both sides was constructed in the yard near the street. The sign is lighted at night by a time clock which automatically turns the lights on and off. The Havelock High School Masonry class and Mr. Lee K. Allen of Havelock, First Baptist donated much time and effort to this project.

A general cleaning of the grounds was done in early spring by Mrs. Clyde Cvetko and Mr. and Mrs. Garland Morris.

Roger R. Bell, Chairman

Church Training Report

Church Training activities for the association during 1985-1986 were minimal due to leadership turnover. However, a renewed emphasis is being indicated by the attendance and support shown in the Key Leadership Conference in September. About nine church training directors attended this conference.

Also, the North Carolina Baptist State Convention is making available to churches without Church Training programs up to $75.00 of free literature to help start up their programs. These forms are available at the associational office.

The year 1986-1987 promises to be a bright year for renewed emphasis on Children and Youth Bible Drills and "M" Night.

Cooperative Program and Stewardship Report

The Southern Baptist Convention of Churches are held together by working in commitment to support the work of Christ around the world.

The Atlantic Baptist Association offers information and education in areas of Cooperative Program and in general Stewardship promotion which is to help the local church.

The local church is the base of operations to set goals, prepare budgets and to do the work in the community.

Your Cooperative Program and Stewardship Committee has shared in some important events in this year.

*At the Missions Fest for youth in August the committee provided many extra materials in a booth and these were received by the youth and their leaders.

*The Chairman also participated in the Key Leadership Conference at Newport on September 25.

*The Committee, in cooperation with the Baptist State Convention, sponsored a Stewardship Seminar for Pastors, Staff and Stewardship personnel of the churches, which took place at the Palace Motel Restaurant, New Bern. Thirty-two persons participated in this April 1986 event.

The 1987 Stewardship Emphasis will be held at the Palace Motel on Hwy. 17 South on April 27, 1987, at 12:00 noon to 2:00 p.m. We encourage all pastors and lay leaders in Stewardship to plan to attend. May we grow in commitment and giving in 1986-1987.

Bennie Pledger, Chairman

Director of Missions Report

The year 1985-1986 has been a year of transition for Atlantic Baptist Association. Upon the foundation that was laid years before, a new and exciting day is dawning for our association. Dreams are becoming realities as we commit the association's work to the Lord.

Associational Strategy Planning was adopted by the Executive Committee as a method for charting the course for the association for years to come. There are so many opportunities of ministry before us that we cannot possibly do them all. Associational Strategy Planning will help us determine which ministry opportunities are the most important and which ministries we can accomplish effectively.

My first four months as Director of Missions have been challenging and rewarding. Already the association has budgeted $18,000.00 to help start missions in their paths to become churches. Also, money is budgeted to help struggling churches become more established.

The New Equipment Committee has done an outstanding job of updating the office equipment with a new computer and telephone system. This equipment will allow us to work more effectively with churches.

Beginning January 6, 1987, Atlantic Baptist Association will have a weekly program on Vision Cable aired on Channel 10. The primary focus of the program will be leadership training and mission education.

The Japanese ministry, under the leadership of Mrs. Sumiko Sidelinger, has continued to grow. She is to be commended for her tireless effort. The Hispanic ministry led by Rev. Evan Johnson continues to meet weekly. The results are slow, but Evan has done an outstanding job of ministering to people in this new area of work.

The year 1986-1987 is the year of planning for our association. God has great things in store for us if we continue to wait upon Him. Let's pray expectantly.

Respectfully submitted,
Keith Hamilton

Evangelism Committee Report

The big project of the Evangelism Committee for 1985-86 was "Good News America, God Loves You." Twenty-eight (28) of the thirty-eight (38) churches in the association participated in this simultaneous effort. Reported results are as follows:

Scriptures Distributed	1,614
New persons enrolled in S.S.	113
Professions of Faith	80
Rededications	612
Transfers of Membership	32

In promotion of Good News America, local churches contributed funding for seven (7) area billboard signs. This project was coordinated by Rev. Charles Allard.

The Chairman of the Committee, moreover, attended the Key Leadership Conference at Ridgecrest during the year, receiving training in the concept of "target evangelism." This concept was then taught on the local level at our associational Key Leadership Conference conducted at Newport Baptist Church in September.

Finally, a significant investment of time was made in the work of the Missions Committee serving as a Search Committee for a new Director of Missions. This investment was rewarded with the call and acceptance of Keith Hamilton as our new leader.

Don Hadley, Chairman

The Associational Missions Committee began the task of seeking a new Director of Missions. In April 1986 their task was completed when Rev. Keith Hamilton accepted the call. Rev. Hamilton is a native of Beaufort, N.C. and was serving as Minister of Education/Administration of Second Baptist Church, Pasadena, Texas when he accepted the call. He began his duties in July 1986. An installation service and reception was held for Rev. Hamilton at Temple Baptist Church, New Bern, on July 20 at 4:00 P.M.

The Newport Baptist Church began a mission in Havelock on June 9, 1986, known as McCotter Blvd. Baptist Mission. Jointly, the Newport Church and the mission have purchased a five-acre tract of land on McCotter Blvd. Plans are to build in 1987. Rev. James Stephen Oates was unanimously called as the first pastor and he will begin his duties October 19, 1986. Twenty-five families were commissioned by the Newport Baptist Church to begin the mission.

Through gifts of the W.M.U., the kitchen at the Associational Center has been furnished.

The Centennial Committee of the Association was reactivated in an effort to publish the history of the Association. At the current time, the book is being made ready for the printer.

The Bus Tour of the Association, which was sponsored by the W.M.U., was completed in September 1986. All the churches in the Association were visited. A complete tour of the church was given, along with a brief history of the church. The tour was well received and may be repeated in the future.

Language Missions continues to be a vital ministry in Havelock. Rev. Evan Johnson continues to serve as minister to the Spanish-speaking persons and Sumiko Sidelinger serves as lay minister to the Japanese.

Bold steps are being taken by all organizations within the Association to witness and minister to the people in the Atlantic Association. Fruits of that ministry are evident in the planting of new churches and increased membership in established churches.

As Historian, I have continued to preserve your history and heritage through pictures, tapes and written materials. I encourage you to preserve historical artifacts in your own church and to share with me programs, booklets, pictures, etc. of special events in your church.

I have served as Historian for the Association since 1972. The work has been a labor of love. Because of personal commitments, I will not be able to serve as Historian in 1986-87, but I look forward to serving you again in the future.

Respectfully submitted,
Mary Jane Wright, Historian

Missions Committee Report

During much of this past year, your Missions Committee has been involved in the responsibility of leading our association in the search for a Director of Missions. There were many things about our task that was much like what a church goes through in its search for a pastor. It was an interesting, demanding but rewarding time and we were pleased when the association voted to extend a call to Keith Hamilton. Keith accepted the call and our association had a special installation service for him on July 20.

Keith came to us from Pasadena, Texas, where he served as Minister of Education and Administration of Second Baptist Church. He is originally from Beaufort, NC and his family still makes their home there. Keith and his wife, Patty, have two sons and will be making their home in Havelock.

In the search process, this committee came to know each other and our association in a close and personal way. We feel good about our association, and are excited about the future of our ministry as we serve our Lord Jesus Christ here in Atlantic Baptist Association. Remember to pray . . . and be willing to put your feet under your prayers . . . for God has great things ahead for us!

John Wilkinson, Chairman

Music Report

HOW CAN THE ASSOCIATION HELP YOU?

This year in the Atlantic Baptist Association we want to help all music directors and their choirs as much as possible. Several exciting things are already lined up to help you. Jim Smith, State Worker from Louisiana and Texas, held a workshop at the association for Volunteer and Part-time Music Leaders and Choir Directors. In the early part of 1987 we will be having an associational music workshop, led by the staff of our convention. I will let you know more about that as the time gets near.

We had a very meaningful meeting at the Associational "Key Leadership" meeting last month. Several of the choir directors brought their favorite music with them to the meeting and we had a "sight-reading" session. This was a good way to get to know some good . . . new music . We plan to do that again during the winter. I hope more will be involved. We only had about ten this past time.

If your church has one person who stands up on Sunday and announces the hymn and someone plays an instrument . . . you have a "MUSIC MINISTRY." All you have to do is . . . expand from that. Ask someone to be responsible for selecting the hymns, asking different ones to sing a solo or some to sing as a duet. Use as much music as you can during the worship services. By the way, I sincerely hope that all of you have your Christmas music underway. It won't be long.

Musically yours,
John Thompson

Ordination Council Report

The Atlantic Baptist Association Ordination Council examined the following persons during the year:

April 26 - Edward M. Satterley - Upon request of First Baptist Church, Davis, your Council, made up of 11 pastors and deacons, examined Ed Satterly and has an excellent discussion period with the candidate on his conversion and call, doctrinal beliefs, the function and purpose of the Church, family life, and his attitude of cooperation as a Southern Baptist. The Council voted unanimously to recommend Ed Satterly to be ordained by First Baptist of Davis to serve as pastor of Victory Chapel Baptist Church, Patchogue, Long Island, New York.

June 19 - Billy Arthur Dunlap - Your Ordination Council of Atlantic Baptist Association was called together to examine Billy Arthur for the Gospel Ministry. The request was from Smyrna Baptist Church where Mr. Dunlap was to become pastor. He was questioned regarding all areas of ministry. This was a helpful experience for Mr. Dunlap and the congregation of Smyrna Baptist as they witnessed the occasion. The candidate was unanimously recommended for ordination.

September 19 - Randy N. Hawkins - Randy N. Hawkins was called to Cove City Missionary Baptist Church in conference on June 11, 1986. His first Sunday as pastor was June 15. Upon request of Cove City Missionary Baptist Church for Randy's examination, preparatory to ordination, the council met in the Pastor's study of Colony Baptist Church. Those present were: Blair Little, Wint Hale, Keith Hamilton and Bennie Pledger. After thorough examination of qualifications for ministry, Mr. Hawkins was recommended for ordination.

We wish the churches and these above persons examined, Mr. Satterley, Mr. Dunlap and Mr. Hawkins, God's richest blessings.

Respectfully submitted,
Bennie Pledger, Chairman

Seminary Extension Report

We have in our convention a golden opportunity to learn and study through the Seminary Extension Program. Please let us utilize the resources we have. At this time, we are trying to start a class in Clinical Pastoral Training. If you need help in any topic or have interest in any area of Seminary Extension, please call Wint Hale or the association. We will get information for you.

Respectfully submitted,
Wint Hale, Seminary Extension Director

Sunday School Report

This past year the Associational Sunday School Team, under the leadership of Rev. Larry Davis, attended several training events. An associational-wide "How to Guide" seminar was held at Havelock First Baptist Church, led by the ASSIST Team. At various times during the year, individual team members responded to invitation from churches in the associations to help in training.

Respectfully submitted,
Rev. Bill Parker, Interim S.S. Director

T.A.C.M.O. Report

T.A.C.M.O. (The Associational Church Media Library Organization) had four meetings this year.

November 1985 we were shown a video on the art of storytelling. Some very good points and ideas were brought out that can be used by our librarians and teachers.

Mrs. Evelyn Bryden of Morehead, First was hostess to our February meeting at which time she taught the book "The Learning Team." We had an attendance of 13 from five churches. This was a most informative study.

The May meeting was a time of work and fellowship at Riverbend Baptist Church at which time we processed books to aid them in getting a Media Library started. This was good fellowship and a time of sharing.

Our new Director of Missions attended our August meeting at which time Mrs. Gail Edge showed two videos titled, "Equipping to Develop Disciples" and "Reaching and Teaching People With Media." The value of equipping centers was brought out and the importance of keeping them in the Media Library. Six churches were represented with an attendance of eight.

The importance of T.A.C.M.O. in our association has not been realized, but as we look to the future in audio-visuals and books we hope more churches will see the need of training church librarians. Too many times church libraries are closed because of a lack of trained personnel and interest. Don't let your church be one of them.

Respectfully submitted,
Marion Taylor, T.A.C.M.O Director

Vacation Bible School Report

The Vacation Bible School is perhaps the greatest evangelist tool we have among the children of our Church and communities. We have opportunity to present the plan of salvation on a basis that is easy to understand and is received by children and parents in an accepted manner. In our Churches, where evangelism is expressed and also encouraged, we have always found results. We encourage every church in our Atlantic Association to use this great opportunity to share Christ with others.

We have not always had a good track record in reporting our schools and so one of our objectives in this coming year is to have Vacation Bible School in all our churches and to get each one of them to give us a report. Some of you have had good schools but simply did not get a report of it. Please help us in this area for the coming year.

We appreciate the efforts of capable leaders who attended the state clinic and then came back to lead our churches in the how-to of good Bible schools. We have some of the most effective workers for our Lord right here in our association as any place in the state. . . .

Helen Johnson, Director

Woman's Missionary Union Report

Woman's Missionary Union of the Atlantic Association began the year 1985-1986 with a very positive attitude. The theme for the year was "Multiply the Vision." We began the year with a new sense of spiritual renewal and enthusiasm for missions and a new commitment to the tasks of Woman's Missionary Union. When the gospel is shared, it is productive; it bears fruit and increases.

Council meetings were held throughout the year to plan special events and to keep abreast of the work being carried out by W.M.U. in the individual churches within the Association.

The Associational Girls in Action was recognized at the state meeting as the number one

G.A. Organization in the state because it had a growth increase of 44 percent. A book, "A Carousel of Countries," was presented to them in honor of this special recognition.

Special emphasis was given all year to the observance of the 100th Anniversary of Woman's Missionary Union of North Carolina. Many of the churches had a 100th birthday party for W.M.U. and the history of North Carolina W.M.U. shared. The Associational W.M.U. had a Centennial Celebration including a fashion show and a history of W.M.U. presented with slides.

Churches were encouraged to have Home, Foreign, State and Associational Week of Prayer Programs and to give sacrificially to the Cooperative Program, Lottie Moon Offering, Annie Armstrong Offering and for State and Associational Missions.

The W.M.U., with the help of local churches, gave a reception for Keith Hamilton, the new Director of Missions for the Atlantic Association. The reception was held at Temple Baptist Church, New Bern, and followed the Installation Service for Mr. Hamilton.

The work of Woman's Missionary Union has grown because of the dedication and missionary vision of Mrs. Kay Kanouff. When she and her family moved to Charlotte, N.C., it left a tremendous gap in our leadership. We strive to continue with the work with the same zeal and vision that Kay instilled in us.

Many projects and goals have not been completed but we continue to multiply our vision as we seek God's counsel as we enlarge our mission involvement through prayer, study and personal involvement. Our main goal is to grow, produce good fruit and to be an integral part of God's future for His church.

Respectfully submitted,
Mary Janes Wright
Associate W.M.U. Director

Youth Report

The largest event involving youth was the Mission Fair coordinated by the W.M.U. and Rev. Marvin Haire. The Fair was a day long event held at River Bend Baptist Church on August 16, 1986. A missions group that led in drama, music, testimonies and recreation, AGAPE, from New York added to the program.

In training for assuming the 1986-1987 Youth Coordinate's position, Buford Lewis attended the Key Leadership Conference at Ridgecrest in May 1986. Rev. Lewis led the youth session at the Key Leadership Conference for the Atlantic Baptist Association, held at Newport on September 25.

PREAMBLE

We, the members of Missionary Baptist Churches cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention, located in the counties of Carteret, Craven, Beaufort, Pamlico, and Jones, in the State of North Carolina, do propose to establish and maintain the principles, order and rules of a District Baptist Association in conformity to the following plan:

ARTICLE I - NAME

The Association shall be known as the Atlantic Baptist Association of North Carolina.

ARTICLE II - PURPOSE

It is the purpose of the association, under the leadership of the Holy Spirit, in cooperation with the State and Southern Baptist Conventions, to undergird, provide resources, and assist in the growth of the local churches, in the promotion of Christian missions, training, evangelism, education, social ministries, new church starts, fellowship, and counseling in crisis situations and church polity.

ARTICLE III - MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches in the area of the Association. A cooperating church shall be any church that maintains a spirit of cooperation and supports the objects of this Association.

SECTION 2. The Association shall determine its membership and may receive or reject churches according to the Constitution and Bylaws of the Association.

SECTION 3. Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this Committee and accepted by the Association shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the Membership Committee, membership within the Association of such churches shall be confirmed by the vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

SECTION 4. Any church may be granted a letter of dismissal to unite with another Association by presenting a written request at the Annual Meeting of the Association. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation and to support the objects of this Association.

ARTICLE IV - MEETINGS

SECTION 1. The Association shall meet twice each year. On the Thursday and Friday after the fourth Sunday in October, it shall hold an Annual Meeting. On the fourth Thursday in April, it shall meet for the purpose of electing the Associational Officers and Committee members, the transacting of miscellaneous business, and an associational program emphasis. This meeting in April shall be called the Midyear Meeting. Those officers elected at the Midyear Meeting will begin active service at the beginning of the new associational year.

SECTION2. Special meetings may be called by the Moderator upon written request by any representative group, or by the Executive Committee, provided two weeks notice is given and adequate reasons are given to affiliated churches. No business shall be considered at such a special meeting except that for which the meeting was expressly called.

SECTION 3. Each church shall elect annually one (1) messenger to the meeting of the Association for each fifty (50) members of the church, provided each church shall have not less

than three (3) nor more than ten (10) messengers. In addition to these, pastors of member churches shall serve as messengers. These shall, along with the Director of Missions, Associational Officers, Committee Chairpersons, Trustees, and all other persons who are presently serving in an elected position on the Associational level, constitute the voting body of the Association. The names of messengers printed in the minutes shall include only those attending and registering at the time of the Annual and Midyear meetings of the Association.

ARTICLE V - AUTHORITY

It is understood that each affiliated church is independent and sovereign in its own affairs and this Association has no authority over the churches. Relationships are strictly cooperative in practice and advisory in nature.

ARTICLE VI - OFFICERS AND THEIR ELECTION

SECTION 1. The officers of the Association shall be: the Moderator, Vice Moderator, Clerk, Treasurer, Assistant Treasurer, Director of Sunday School, Director of Church Training, Director of Woman's Missionary Union, Brotherhood Director, Music Director, Auditor, Historian, Parliamentarian, and Director of Missions.

Report of the Resolutions Committee

Whereas, the North Carolina Atlantic Baptist Association held its one hundred and fourth session in the spirit of Christ and to the glory of God on October 29, meeting at First Baptist Church of Havelock, and on October 30, meeting with Colony Baptist Church:
BE IT RESOLVED:

1. That Atlantic Baptist Association express its sincere thanks to our Moderator, Dr. Jack Hinton, and Vice Moderator, Rev. Harry Crump, for the outstanding manner in which the business of this Association has been conducted.
2. That an expression of sincere gratitude be expressed to all those who had a part in the fine program - Rev. Terry Farmer and Rev. Clell Gibson for the inspiring messages; Rev. John Thompson, and all those who worked with him and the Choir of First Baptist Church, Havelock in providing inspiring music which created a worshipful atmosphere for our meeting; to all those who presented the informative reports of our Association and denominational work.
3. We express our heartfelt thanks to the host churches - First Baptist Church of Havelock, and Colony Baptist Church - for the excellent manner in which they provided for the comfort, care, and worshipful environment enjoyed by all those attending the meeting.
4. That the Program Committee, with Rev. Buford Lewis as Chairman, be commended for their dedicated effort and the excellent program presented this year.
5. That we express our heartfelt thanks to Mr. George Griffin for his 20 years of dedicated service as Treasurer for the Atlantic Baptist Association.
6. That we express our appreciation to Mrs. Judy Russ for the excellent job of presenting the Book of Reports.

Brotherhood Report

I want to thank those who volunteered to help in Brotherhood work this past year. Your participation helped increase attendance at our Brotherhood functions.

This past year the Baptist Men of the association helped remodel First Baptist of Broad Creek's building. A total of over fifty men came to help on the three work days. Matteo DiCandia, pastor, expresses his appreciation for your tireless effort.

Last November, a large number of Brotherhood leaders went to the training session held at the Associational office. I would like to encourage all leaders to attend the next training workshop on November 2, 1987.

Mike Lovett, R.A. Director, has done an outstanding job in training local R.A. Leaders in how to develop a local chapter. The R.A.'s also had an excellent mission fair with the model car races.

Let us remember we are doing the Lord's work.

Respectfully submitted,

A new folding machine was purchased for the association. It allows paper to be double folded. The old folding machine was traded in on the new one.

The associational building is currently being cleaned by Rodney and Ramona Voisine. They have done a good job in keeping the center clean.

Church Training Report

Church Training plays a distinctive role in Southern Baptist churches, and succeeds best when all church organizations thrive, when the whole church is strengthened, and when each individual is trained to be a responsible church member.

Thank God a renewed emphasis in Church Training is being experienced in Southern Baptist churches everywhere. This year, in the work of Church Training, there has been growth. The Church Training Director's Interpretation Conference was held March 3. It was a great success. Another such workshop is planned for this year on February 4, 1988. I hope you will plann to attend this opportunity for learning.

The North Carolina Baptist State Convention is making available to churches who are beginning a first time Church Training program $75.00 of free literature. Forms are available through the association to receive these materials.

The Key Leadership Conference was well attended. A Church Training Team is in the making for the association. Please join this team in prayer that enthusiasm among Atlantic Baptist Association churches will give evidence to more Church Training involvement.

"M" Night 1987 will be held on November 30, 1987 at Temple Baptist Church, New Bern at 7:30 p.m. We are grateful to Temple for hosting this event. Please make plans now to attend, as this will be a night of inspiration, fellowship, and sharing Church Trainig information with you. Wouldn't it be wonderful to have every church represented and every pastor present!

The Japanese ministry under the leadership of Mrs. Sumiko Sidelinger has continued to reach people for our Lord. Almost monthly someone is saved through this ministry of teaching God's word in Japanese. An active Hispanic ministry came to a close this past year. Rev. Evan Johnson has moved to Texas to continue his educational training. He is certainly missed.

Representatives from Atlantic Baptist Association help comprise a military task force looking at ways to reach and cooperate with the military communities. Significant progress was made in this area. Dr. Don Hadley, First Baptist Church, Havelock, compiled a booklet, *An Overview of Military Ministry*, from this task force.

I am excited about Carol Baker becoming the association's Director of Resort Ministries for Carteret County. She will work to establish a Christian witness this summer in the beach areas of Carteret County. Carol brings to this position experience and the educational requirement needed to witness to the thousands of tourists on our beaches.

The 1987-1988 year is the year of stepping out on faith for the Lord. God has richly blessed the association with its leaders and churches. Yet, God challenges us to do even more. Pray with me as we seek together to be God's people.

Evangelism Report 1987

September 14, 1987, the Director of Evangelism for the North Carolina Baptist State Convention, J.W. Hutchens, came to the Atlantic Baptist Association and led a seminar on "How to Hold a Revival in the Local Church." Dr. Don Hadley and Dr. Jack Hinton assisted Dr. Hutchens in a panel discussion on this subject. Discussion was lively and many were encouraged to again plan to hold revival in their church.

In recent history the trend for Atlantic Baptist Association has been a downward spiral in the number of baptisms reported. It is our hope at this time to encourage the churches to make evangelism a priority corporate program of the church. The two main tools Southern Baptists have been most successful in using for this purpose are Sunday School and evangelist meetings in hope for revival.

This next year we hope to see each church renew their commitment to reach the lost for Christ.

Respectfully submitted,
Rev. Terry Farmer

Missions Committee Report - 1987

It was reported at the annual meeting last year that the Missions Committee had spent much of the year in searching for and recommending our new Director of Missions. It might well be reported that the Missions Committee has spent this year in trying to keep up with that missionary. It truly has been a year of excitement and hard work for your Missions Committee. We would like to share with you some of the highlights of this year's accomplishments:

1. The Missions Committee shared in the planning and execution of our first annual Mission Rally held at First Baptist Church, Beaufort on May 8 with Dr. Bill Morgan of the Foreign Mission Board as guest speaker. Perhaps the highlight was the "Presentation of Flags"

representing the 110 different countries of the world where we as Southern Baptists have missionaries. These flags were carried by R.A.s and G.A.s representing various churches. A capacity crowd attended this impressive service. We are looking forward to the second annual Missions Rally, scheduled for May 20, 1988 with Dr. Larry Lewis, newly elected President of the Home Mission Board as gueat speaker.

2. Your Missions Committee has shared in the beginnings of the East Carteret Baptist Chapel. We are delighted that First Baptist Church, Beaufort has become the sponsoring church. It is exciting to recall the tent revival, the barbecue dinner for more than 200 people from our various churches as they helped to dedicate this new work, and the continued growth of the Chapel under the pastoral leadership of David Sweet.

3. The Missions Committee has advocated supporting and strengthening old established churches as well as starting new work. Upon the recommendation of the Missions Committee, $2,100.00 has been spent from the associational budget for materials in renovating the First Baptist Church, Broad Creek, with labor being done through our associational Brotherhood led by Ray Giasson.

4. The Missions Committee has sought and recommended funds from the Baptist State Convention of North Carolina in "Growth Assistance" for East Carteret Baptist Chapel, McCotter Blvd. Baptist Chapel, Bogue Banks Baptist Church, Smyrna Baptist Church, and Huggins Memorial Baptist Church.

5. With our associational area becoming more and more recreational and tourist oriented, the Missions committee is excited about our Resort Ministries that have developed under the leadership of Carol Baker for Carteret County. With the help of many mission resources, her summer job has now been expanded for a twelve month period. Most of the work will be done this winter in preparation for summer mission teams who will come to do ministries primarily in the Emerald Isle area where a new church-start is being proposed.

6. Upon the recommendation of the Missions Committee, the Association Executive Committee has approved a plan where by the association, Baptist State Convention, and the Home Mission Board, will jointly secure a "Church Planter" beginning June, 1988. This will be on a full time basis to work among us in new church starts through surveys, Backyard Bible Clubs, Home Fellowship Bible Studies, etc.

7. As a result of the Association Strategy Planning session, the Mission Committee recommended to the Executive Committee, which was approved, that we target a "small established church of the year" and a "small new church of the year." This coming year will be Broad Creek First Baptist and McCotter Blvd. Baptist Chapel, respectfully. Much work, as previously mentioned, has already been done at Broad Creek, and McCotter Blvd. Plans to use North Carolina Baptist Men Builders for construction of the first unit in March 1988.

8. Recommended by the Missions Committee, and approved by the Executive Committee, goals have been set, in accordance the Great Commission, that we lend assistance to or be partners with 1) a church outside the association in 1987-88, 2) another association in the year 1988-89, and 3) another country in 1989-90. As stated above, Victory Baptist Chapel on Long Island, NY will be the church in 87-88, an association in the mountains of New Mexico for work with the Navaho Indians in 88-89, and the Midwest Baptist Association, Alberta, Canada in 89-90.

In conclusion, let it be known that the prayer of the Missions Committee is that more and more of our individual church people will participate in the meetings of our association, that our "giving" will keep pace with our "Mission Vision."

Respectfully submitted,
Marvin R. Haire, Chairman

Music Report - 1987

The Atlantic Baptist Association is here to serve you. As Music Director for the association, want to be of help to you whenever time permits. This past year we had an excellent attendance at our Associational Music Workshop held in February. We had three different classes for you to choose from. This year we are planning another workshop in February. We will let you know a little later on about the type of workshop.

We are planning an Associational "CHRISTMAS PRAISING" for Sunday afternoon, December 6, at the Newport Baptist Church. I will be inviting several of the churches to provide two selections for us to hear. Also, put March 13 on your calendar for an "EASTER PRAISING" to be held at Tabernacle.

Always remember that if I can ever be of help to you and can work it into my schedule, I"ll be there. If you need some help that I cannot provide, I'll try to find someone to help you. I have a list of approved workers from our part of the state.

Thanks to those of you who came to the Associational "Key" Leadership conference. We had a great time of sharing music together.

Musically yours,
John Thompson, Director

Ordinations Committee Report - 1987

The Atlantic Baptist Associations Committee on Ordinations meets at the request of member churches to examine candidates for the Gospel Ministries according to the person's conversion, call to the ministry, faith, doctrinal beliefs, and attitude toward cooperative Baptist work. The committee then makes suitable recommendations to the cooperating church. The Committee on Ordinations examined the following persons during the Associational year:

October 16, 1986 - Dr. Curtis Rains. Upon the request of the Pollocksville Baptist Church, the Committee on Ordinations interviewed and examined Dr. Curtis Rains, a member of the Pollocksville Baptist Church and the Jones County Superintendent of Public Schools. After a thorough examination of Dr. Rains' qualifications to be a Southern Baptist minister, the Committee on Ordinations voted unanimously to recommend him for ordination by the Pollocksville Baptist Church.

July 3, 1987 - Bruce Cannon. Your Committee on Ordinations met at the Associational Center to examine Bruce Cannon, a student at the Fruitland Baptist Bible Institute, Hendersonville. This sharing time was held at the request of the Reece's Chapel Baptist Church, of which Mr. Cannon is a member. Following an inspirational discussion period, Mr. Cannon was recommended unanimously for ordination to the Gospel Ministry.

The Committee on Ordinations stands ready to furnish information and details about procedures through which the local church can carry out wisely and properly its privilege and responsibility of ordination.

Respectfully submitted,
Dr. Samuel E. Harvey, Chairman

Seminary Extension Report - 1987

Southern Baptist seminaries have been offering off-campus theological training through the Seminary Extension for 36 years. During 1986-87 your associational center was part of the network of more than 400 similar centers throughout the country.

Your center offered a course in clinical pastoral training taught by the Associational Seminary Extension Director this past winter. Eight persons, including three lay persons were enrolled.

The class was held each Monday morning for 13 weeks at the associational center.

It is our hope to offer other classes this year for both clergy and laity. The survey courses are excellent; also, in view of the findings of the strategy planning meetings the association has held, we would like to have a class on church growth taught. If you have any interest in either teaching these classes or in any other course of Seminary Extension, please call Bill Voorhes of the association.

Whiel Seminary Extension courses are designed primarily to be taught in the local centers, most of these courses are also available for correspondence study. For further information, you may contact the associational office or Rev. Voorhes.

Respectfully submitted,
Rev. Bill Voorhes, Director

Stewardship Report - 1987

The Stewardship theme for the current year "Win The Lost - Give" states a thrilling challenge to plan to grow in giving as individuals and churches.

The Atlantic Baptist Association encourages churches to grow in awareness and practice of corporate stewardship. The association encourages good budgets in the churches and a plan for giving through the Cooperative Program and Associational Missions.

Some events your Stewardship Director has shared in:

1. The association sponsored a stewardship conference on April 27, 1987, at Palace Quality Inn in New Bern. There were over 30 persons present. Ken Batts of the Baptist State Convention of North Carolina led the conference on Money Management and Larry McClure, Area Missionary of the Baptist State Convention of North Carolina, presented information on the Expanded Annuity Program.
2. Attended the Key Leadership Conference at Ridgecrest in May, along with other leaders of the associational programs.
3. The Key Leadership Conference in Atlantic Association was held at Newport Baptist Church on August 20. The Stewardship group had twelve present from five churches.
4. The 1988 Stewardship Conference for Atlantic Baptist Association is planned for April 25 in New Bern.

Plan to grow as a giver in 1988.

Respectfully submitted,
Rev. Bennie Pledger, Director

Sunday School Report - 1987

We've all heard it, many have said it, but how many really believe it? Believe what? That Sunday School is the church organized to evangelize our world.

The goal of Sunday School is to reach every age group of people. Let us all remember people are most important, we are teaching people, not lessons.

I would encourage all churches to move toward "Open Enrollment." Open Enrollment means to enroll persons in Sunday School wherever and whenever you can, getting their names, address and age. This becomes part of the church's and Sunday School's prospect file. Let's show our world we care, enroll them now!

The curriculum is the message and meaning of God's word. The Bible is our source of authority and power. The more informed people are about God's word, the greater will be their response as responsible members of God's family.

We had a good number who came to Newport Baptist Church for Key Leadership. Pastors, Sunday School Directors, and teachers attended. We look forward to establishing an ASSIST Team in our association which you'll be hearing more about in the future months.

We are looking forward to the new year with much excitement and expectation as we enroll now.

Respectfully submitted,
Rev. Steve Oates, Director

T.A.C.M.O. Report - 1987

T.A.C.M.O. - The Associational Church Media Organization held four meetings throughout the 1986-87 year; a year of growth in training and learning experiences.

In November 1986, we met at the Associational Center for a time of planning, sharing, and fellowshipping. A calendar of activities was planned as well as sharing goals for the growth of T.A.C.M.O. in 1987.

An associational workday was held January 17 with two churches represented with six attending. The workday was one of the first toward our goal of reorganization of resource materials in the associational center to be more readily accessible to all the churches.

February 7, the course entitled, "How To Process Media" was taught by Gail Edge. This course instructs in the steps involved in the preparation of resource materials for media centers. It is a credit course and is one of many to train church librarians. Three churches were represented at the meeting.

In lieu of our meeting, five T.A.C.M.O. members attended the Library Conference at Camp Caraway, four from Tabernacle and one from Temple in New Bern. The two day session included ideas and promotions with which our church media libraries can be improved and advanced.

August 1 was another scheduled workday for our associational media resource center. A total of nine attended, with three churches being represented in this number. A member of the new Bogue Banks Baptist Church was one of those attending. Following the morning work session, we enjoyed fellowship together at lunch, then returned for an afternoon work session.

The main purpose of T.A.C.M.O. is "to assist churches in establishing, improving, and enlarging their media libraries." We continue to work toward training and supporting church library workers in the association. We wish to stress also the importance of all this media service - a service that can and should reach all ages through various types of media that will promote spiritual growth. Encourage your church to start a library if you do not have one or to improve and enlarge the media service for your church.

Respectfully submitted,
Gail Edge, Director

Treasurer's Report - 1987

You will find in your Book of Reports my twentieth and final Financial Report to the Atlantic Baptist Association. Allow me to express to you my appreciation for your confidence and support over these twenty years of service. They have been both enjoyable and rewarding. Now that the association office is computerized, and much of the work previously performed by me will migrate to the computer, it just seemed like a logical time for me to relinquish the treasurer's job to someone else. After all, we shouldn't be selfish! I thought it might be well to include some comparative figures of the association twenty years ago and what we are doing today. It shows the progress we all have made over these two decades. In addition, we have come from a sub-standard, rented office, to a very fine and functional building that was paid for several years ago, and is a tribute to every church in the association. Now for the statistics:

Woman's Missionary Union Report - 1987

We thank God for the good age-level leadership He has provided our associational W.M.U. this year and for the way you have responded to this leadership.

Our leaders attended the state workshop at Kinston in August 1986 and came back to lead a W.M.U. Leadership Conference in September for church W.M.U. leadership.

Your good response to the gum packages collection for the Woman's Correctional Center at Raleigh was much appreciated as were the items collected for the Newport Prison.

The Baptist Women Retreat at the Trinity Center was well attended, profitable, and enjoyed by all. Another retreat is being planned for the weekend in January 1988.

The Girls-In-Action had a great G.A. Day in April. The Acteens had a great Mother-Daughter Banquet in May. Our W.M.U. Annual meeting was held in April hosted graciously

by First Baptist, Morehead City. Please read the associational newsletter for similar events to be held next spring.

Pray that God would send us an Acteen and B.Y.W. leader.

Will you continue to serve faithfully and cheerfully at your place of service and membership in W.M.U., since God provided the resources for you?

We are looking forward to our 1987-1988 year under the capable leadership of Mary Lou Harrell, and the observance of 100 years as W.M.U. in the Southern Baptist Convention with plans toward a group trip to Richmond in May.

Respectfully submitted,
Dorothy Loftin, Director

Youth Report - 1987

This past year the youth have been provided several opportunities for worship and fellowship. There was a trip to King's Dominion and an Ice Skating trip to Cary. An Associational Youth Night was held at the associational center. The AGAPE Singers from Victory Chapel, Long Island, NY led in singing, testimonies, and preaching the Gospel. A Key Leadership Conference for youth leaders was held in August at Newport Baptist Church.

Buford R. Lewis, Director

PREAMBLE

We, the members of Missionary Baptist Churches cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention, located in the counties of Carteret, Craven, Beaufort, Pamlico, and Jones, in the State of North Carolina, do propose to establish and maintain the principles, order and rules of a District Baptist Association in conformity to the following plan:

ARTICLE I - NAME

The Association shall be known as the Atlantic Baptist Association of North Carolina.

ARTICLE II - PURPOSE

It is the purpose of the association, under the leadership of the Holy Spirit, in cooperation with the State and Southern Baptist Conventions, to undergird, provide resources, and assist in the growth of the local churches, in the promotion of Christian missions, training, evangelism, education, social ministries, new church starts, fellowship, and counseling in crisis situations and church polity.

ARTICLE III - MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches in the area of the Association. A cooperating church shall be any church that maintains a spirit of cooperation and supports the objects of this Association.

SECTION 2. The Association shall determine its membership and may receive or reject churches according to the Constitution and Bylaws of the Association.

SECTION 3. Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this Committee and accepted by the Association shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the Membership Committee, membership within the Association of such churches shall be confirmed by the vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

SECTION 4. Any church may be granted a letter of dismissal to unite with another Association by presenting a written request at the Annual Meeting of the Association. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation and to support the objects of this Association.

ARTICLE IV - MEETINGS

SECTION 1. The Association shall meet twice each year. On the Thursday and Friday after the fourth Sunday in October, it shall hold an Annual Meeting. On the fourth Thursday in April, it shall meet for the purpose of electing the Associational Officers and Committee members, the transacting of miscellaneous business, and an associational program emphasis. This meeting in April shall be called the Midyear Meeting. Those officers elected at the Midyear Meeting will begin active service at the beginning of the new associational year.

SECTION2. Special meetings may be called by the Moderator upon written request by any representative group, or by the Executive Committee, provided two weeks notice is given and adequate reasons are given to affiliated churches. No business shall be considered at such a special meeting except that for which the meeting was expressly called.

SECTION 3. Each church shall elect annually one (1) messenger to the meeting of the Association for each fifty (50) members of the church, provided each church shall have not less

cipleship begins when we put one hand on Jesus Christ and the other hand on those who are lost and hurting. He challenged the body to go to one another in love and together we can support the kingdom of God.

23. Dr. Hinton thanked the choirs and the church for hosting the meeting.
24. Rev. Doug Williams, pastor of Cape Carteret Baptist Church closed the meeting with prayer.

Brotherhood
Report To The Association
1988

I want to thank Keith Hamilton for his help and support during my first year as Brotherhood Director. I also want to thank each of you who participated and helped in our Brotherhood work.

Last November, Obie Willingham, from First Baptist New Bern, and I attended the State Baptist Men's Convention in Winston Salem. It was an inspiring experience for both of us and I would like to encourage anyone involved or interested in Brotherhood work to attend the next convention which will be in January, 1989.

Also last November, we had an excellent turnout of Brotherhood leaders for the training session held at the Associational office for Baptist Men and RA leaders.

In January, 1988, over forty men attended the Brotherhood prayer breakfast at the Association office. Of course we all enjoyed the food and fellowship, but I believe that all received a blessing as we joined in prayer with the Lord.

Mike Lovett, RA Director, again this year planned and held an excellent RA mission fair with 10 Churches represented and over 100 people attending. Mike said "the mission projects just keep getting better." We all owe Mike a word of thanks and ap-

preciation for his years of work with the RA's.

I know that many of our Church Brotherhoods have been active this past year in Mission projects. I want to thank all of those who have given their time and effort in mission work, for this is what the Brotherhood is all about.

Respectfully submitted,
Ron Ashe

Report To The Association
1988

Growing! Growing! Growing! Our Association is growing by leaps and bounds. The rise in population reveals many areas where a Southern Baptist witness is needed.

In an effort to meet the needs of our growing communities new churches and new ministries need to be started to help us effectively carry out the Great Commission. I will be available as a resource person to assist established and struggling churches in mission projects. Six areas we are presently working with are Brice's Creek, First Baptist Broad Creek, Cherry Branch, Indian Beach, Laughinghouse Trailer Park, and West Havelock. We have seen how the Lord is doing a mighty work as we work to develop these ministries and secure property. I would encourage each church to seek to begin a new work or ministry in their community! I encourage you to call on me if I can be of any service to you and your church.

I would like to thank the churches that I have been working with since I joined the Associational staff in September.

Let us continue to move forward for the work of His Kingdom!

In His Service,
Billy Wright

Church Training
Report To The Association
1988

"A call to Baptist Basics: A Challenge to Growth", is the theme of Church Training for this year. In Genesis 35:1-15, we are shown the value in going back to the fundamentals of God's Way in working with his people.

Jesus said, "Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you..." (Matt. 28:19-20, NASB).

This year has been a wonderful year for Church Training. We have seen Church Training enhance the churches of our association. "M" Night was such a challenge to all of us who attended at Temple Baptist Church on November 30, 1987.

The Church Training Director's Interpretation Conference held February 4, 1988, was a great blessing to all present. Eleven churches were represented with the state team leading the conference. Please make your plans now to attend the next one scheduled January 23, 1989.

Thank God for the members of the team who have a vision of what church training can accomplish and with your help God will bless our efforts. We look forward to serving every church in the association this year. Thank you for your input into the Key Leadership Conference. There are many questions related to Church Training that must be answered. We are here to assist you in this vital work. Please give us a call today.

The North Carolina Baptist State Convention is making available to churches who are beginning a first time Church Training program $75.00 of free literature. Forms are available through the association to receive these materials.

"M" Night 1988 will be held on November 28, 1988 at Trenton Baptist Church at 7:00 pm. There is a good program planned for the evening. We will be looking forward to seeing you there.

The Church Training Team is planning to attend the Church Training Enablers Conference at Caraway Conference Center in November.

Please join the team in prayer as enthusiasm spreads among the churches of our association to carry out our Lord's command.

Constitution Committee
Report To The Association
1988

No Constitutional changes are proposed this Associational year of 1987-88.

Respectfully submitted,
Rev. Joseph Coggins

Director of Missions
Report To The Association
1988

1987-1988 was to be a year of stepping out on faith for the Lord. Indeed God has richly blessed our Association as we took this step of faith.

1987-1988 was the year the Red Tide hit our coastlands. There were literally thousands of people going without the basic necessities of life. Baptists across our state convention and association responded with overwhelming support. As a result, people were fed and given the water of life.

1987-1988 was the year the Association added a new staff position of Church Starter and Growth Consultant. Mr. Billy Wright of New Bern was employed in this new position. He is busy selecting new work sites and working with struggling churches.

1987-1988 was the first year of having a director of Resort Ministries on Bogue Banks. Mrs. Carol Baker did an outstanding job enlisting and coordinating mission teams on our beaches and resort areas. Backyard Bible Clubs, Puppet Shows, and handing out seashell tracts were just a few of the things these teams did this summer.

1987-1988 was the year Rev. Barry Jordan, Director of Religious Activities for Cherry Point MCAS, coordinated mission teams for the Association to conduct Backyard Bible Clubs on the base this past summer. One hundred and five people were enrolled.

1987-1988 was the year Mrs. Sumiko Sidelinger, Director of Japanese Ministries, led ladies weekly in studying God's Word in Japanese. Not only did a number of them accept Jesus Christ as Saviour and were baptized into local churches, but husbands were saved and brought into a right relationship with our Lord. Sumiko is commended for her tireless efforts.

1987-1988 was the year Associational giving reached new heights. A record $91,797.48 was received from associational churches. Many churches responded to the challenge of giving five percent to Associational Missions.

1987-1988 was the year two missions in our Association became constituted churches. Victory Chapel, Long Island, New York and McCotter Blvd., Havelock have now grown into two dynamic and growing fellowships.

1987-1988 was the year a sense of God's Spirit moving in the Association occurred. There is a renewed excitement that we serve the God, "I Am".

Together In Christ,
Keith Hamilton

It is time now to begin lining up your guest evangelist for the 1990 revival services. The Association will begin to make plans for these services this coming year.

June 27, 1988: Dr. Jack Hinton, presiding.

Rev. Blair Little, Mission Development Committee Chairman, made a motion to accept the job description for a Church Growth/Church Starter and it carried. Rev. Little made a motion from the committee to employ Mr. Billy Wright in that position. It carried unanimously. Mrs. Mary Jane Wright, Author, was presented the first copy of the Associational History.

September 26, 1988: Dr. Jack Hinton, presiding.

Mrs. Gail Edge, Media Director, challenged the churches to start and to promote a media library. Rev. Bill Voorhes, Seminary Extension Director, reported twenty eight students enrolled in classes. The Association voted to sponsor Rev. Gary Bishop, a Southern Baptist Missionary to England. A resolution was made commending the Raleigh Baptist Association for their assistance in our Association in helping Red Tide victims. Ms. Sue Walker will be working with churches in the area that do not have a Church Training Program.

Membership Committee Report To The Association 1988

Your Membership Committee met on Tuesday evening, September 27 at the Associational Center, Havelock for the purpose of considering the petition of McCotter Boulevard Baptist Church of Havelock for affiliation with the Atlantic Baptist Association. After prayer by Dr. Donald Hadley, a Church Committee composed of Bob Patton, Becky Seale, and Pastor Steve Oates presented a copy of the Constitution and By-Laws of the Church for examination by the Association's Membership Committee. These were found to be in good order and in line with Baptist doctrine, polity, and practice.

It was duly noted that this New Church had been an outgrowth of the mission spirit of the Newport Baptist Church which had sponsored it as a Mission and continues to be very supportive of it as a Church.

During the sharing time it was learned that the McCotter Boulevard Baptist Church is presently contributing 5% of its undesignated receipts to the Atlantic Baptist Association and 10% to the Cooperative Program. The Church presently has 45 members, and averages over 50 present in Sunday School. Their Sunday School literature is from the Sunday School Board of the Southern Baptist Convention.

In their letter of petition they state, "We realize the advantages of working together with our sister churches to accomplish the mission Jesus set for us." Your Membership Committee gladly recommends that the McCotter Boulevard Baptist Church be accepted under the watchcare of this Association for a period of one year as set forth in Article III, Section 3 of our Constitution. In the 1989 Annual Session, upon recommendation of the Membership Committee, full membership within the Association shall be confirmed by vote of the Association. During this one year period the Constitution states that McCotter Boulevard Baptist Church shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

Respectfully submitted,
Dr. Samuel E. Harvey, Chairman

Missions Development Committee
Report To The Association
1988

This has been an exciting year of missions advancement in the Atlantic Baptist Association. Much as been accomplished but the fields are still truly "white unto harvest." Listed below are but the highlights of some of this years accomplishments.

1. The work of our Resort Ministry Director, Mrs. Carol Baker, continues to grow. This is made possible through our cooperative agreement between the Atlantic Baptist Association, the North Carolina Baptist Convention, and the Home Mission Board.
2. Our assistance to Victory Baptist Chapel, Long Island, N.Y. continues and we are happy to report that they have recently constituted into a church.
3. Church Growth Assistance funds from the Baptist State Convention was sought and received for McCotter Boulevard Chapel, East Carteret Chapel, Bogue Banks, Smyrna, and Huggins Memorial Baptist Church.
4. A New Mission work was started at Emerald Isle Baptist Chapel with Cape Carteret Baptist Church as sponsor.
5. The Atlantic Baptist Association voted to participate in the World Mission Conference on September 17-20, 1989.
6. It was with both great sadness and joy that we saw the Chairman of Mission Development leave our association to begin his new work as the first Southern Baptist Missionary to England.
7. Over $25,000.00 was received into the associational account and disbursed to the Red Tide victims of Eastern North Carolina.
8. McCotter Boulevard was constituted into a church, land for building secured, and building is progressing.
9. A job description for Church Growth/Church Starter was presented and approved. Mr. Billy Wright was employed to fill this position, with the State Baptist Convention agreeing to pay the major portion of his salary.

May we continue to give generously and give our faithful support to mission support.

Respectfully submitted,

Music
Report To The Association
1988

WHAT CAN THE MUSIC DEPARTMENT of the Atlantic Baptist Association do for you? We can provide workshops during the year that will help you with your work. We can encourage you to do the best you can in your music department. We can lend a "helping hand" any time that can be worked into the schedule.

Many times a church will say that it does not have a music program...this is not always the case. If you have a person to announce the hymns and someone to play the piano...YOU HAVE A MUSIC PROGRAM. A church does not have to have a "full-time" minister of music to have a music program. Most of our churches have a volunteer who is willing to pick out the hymns, lead a song or play the piano. These are very valuable people. We would be lost without the volunteer. Always remember to "thank" the person who leads the music for you or the person who is there every Sunday....year after year...playing the piano.

One of our goals this year is to develop a closer relationship with the song leaders of the association. Plans are being made to have a time of sharing with the music leaders. We want to have a meal together and share music....ideas.... problems....just help each other.

Remember, if I can ever be of any help to you...please contact me and I'll try.

Musically yours,
John Thompson, Director

Ordinations Committee
Report To The Association
1988

The Atlantic Baptist Association's Committee on Ordinations meets at the request of member churches to examine candidates for the Gospel Ministries according to the person's conversion, call to the ministry, faith, doctrinal beliefs, and attitude toward cooperative Baptist work. The committee then makes suitable reommendations to the cooperating church. The Committee on Ordinations did not examine anyone during the Associational year.

5. That our Association may seek a revival of God's people as we renew our commitment to Jesus Christ. To this end may we unite in a common purpose.

Seminary Extension
Report To The Association
1988

Nearly four hundred Seminary Extension centers across the United States are helping to make a difference in the lives of thousands of persons. Through associations such as ours, pastors, church staff members and lay persons are taking the opportunity of learning and applying biblical insights and practical approaches to ministry.

A total of thirty seven persons enrolled in one of the four Seminary courses offered through the Atlantic Baptist Associational Center this past year. Your Seminary Extension director led the other eight persons enrolled in the Church Growth Course offered in the winter quarter. Presently involved in the fall quarter, David Baker, pastor of Calvary Church, Beaufort, is teaching New Testament Survey. Becky Seale of

McCotter Blvd. Church, Havelock, is teaching the course Dynamics of Teaching, and Kevin Reavis of Newport Baptist is teaching Fundamentals of Music.

It is our expectation that Seminary Extension will grow in its scope and participation during the coming year. Survey forms will be circulated during this year's Annual Associational Meeting for the purpose of ascertaining interest areas of study on the part of the members of the association. If you did not have access to the forms and you do have an interest in a particular area of study, please call Bill Voorhes.

In addition to courses being planned to be taught in our local center, we are formulating plans to have classes taught at the Newport prison facility.

Seminary Extension courses are designed primarily to be taught in the local centers, however, most of the courses are available for correspondence study. For further information, you may contact the Associational Office or Rev. Voorhes.

Stewardship
Report To The Association
1988

The Atlantic Baptist Association encourages churches to grow in awareness and practice of corporate stewardship. The Association encourages churches to plan balanced budgets with giving at least ten percent to the Cooperative Program and five percent to Associational Missions.

The stewardship theme for 1988-89 is "Growth In Giving". The theme should challenge all members of God's family to examine their giving to God in light of God's giving to us. An interpretation conference for the theme will be held on April 24, 1989 at the Quality Inn, New Bern. The conference will be led by Talmage Williams, director of Stewardship Development, Baptist State Convention of North Carolina.

Sunday School
Report To The Association
1988

Why Sunday School? Is it just Bible Study or is it more? These are important questions we as Southern Baptist need to ask ourselves today.

Sunday School seeks to win the lost through Bible Study. The Bible is our textbook with the purpose of teaching it so the unsaved may hear God's Word taught and they might come to a saving knowledge of Jesus Christ.

The Association had two training events this past year. The first was held at Parkview Baptist Church in March and the second was held at First Baptist Church, New Bern. The attendance and response were tremendous. It is exciting to see what the Lord is going to do with Sunday School in our Association.

Rev. Steve Oates

Report To The Association
1988

"Growing Together In Media" was the theme for T.A.C.M.O. this year. The main thrust for this work was to arrange and complete a directory for our Associational Media Center.

In our November meeting, 1987, we met at the Association Center with First Baptist, Morehead as our host church. We shared promotional items for the holiday seasons

and discussed our calendar for 1988. Four churches were represented.

Our first meeting for the year 1988 was held on February 6 at the Associational Center. A "learn by doing" format was used in how to process audio visuals. Gail Edge led in the study with nine people present from three churches.

A refresher course on how to file catalog cards was led by Mrs. Nellie Nelson, librarian from H.J. MacDonald Middle School in New Bern. Seven people representing two churches were in attendance.

In the August meeting work was begun on the directory for the Association. New items continue to be added to the resources at the Association. Churches have been encouraged to use them as well as supply a list of materials they would like to see housed in their associational media center.

At the Key Leadership Conference in September, three churches were represented. Information received from the conference at Ridgecrest in May was shared with those present by the T.A.C.M.O. Director.

The TACMO Staff wishes to encourage each pastor and church media staff to take advantage of all workshops in the coming year and be a part of the association's "Growing Together In Media."

I would like to thank those of the VBS Clinic Team: Keith Hamilton, Kevin Reavis, David Adams, Buford Lewis, Kathy Norman, John Thompson, Patty Hamilton, and Mary Ann McCoy. The clinic was on May 5 at Newport where we had fourteen churches represented and seventy four people in attendance. I believe that this was also a good year for Vacation Bible Schools and Backyard Bible Clubs throughout the Association. If you have not turned in your figures from your VBS, please do so now.

Woman's Missionary Union
Report To The Association
1988

This has been the Centennial Year for WMU SBC. Our watchword "Remember your leaders, those who spoke to the word of God; consider the outcome of their life and imitate their faith. Jesus Christ is the same yesterday and today and forever" has caused us to look back into the past, and give thanks to God for those before us who gave us the foundation in which to build.

We began our year at the State Leadership Workshop at Kinston First Baptist in August, 1987. Our workshop for church leaders was conducted at Cherry Point Baptist in September.

At Christmas time we collected candy to be given to inmates at Woman's Correctional Center. As always our ladies responded well and we sent many boxes of candy to Raleigh.

Baptist Women held their second annual Retreat at Trinity Center at Emerald Isle. Shirley Gunn, missionary to Nigeria, was our speaker. Attendance increased and there was much enthusiasm for this time of learning and becoming acquainted with each other.

Girls-In-Action observed their annual gathering at Rollerland in New Bern for a time of fun.

The WMU Annual Meeting was held at the First Baptist Church of New Bern in March. Our speaker was Frances York, missionary to the Ivory Coast. At this meeting it was decided to change the date of our annual meeting to October beginning in 1989.

In May the WMU Council observed our fourth Pastor and Staff Appreciation Day. At the Associational Center, following their monthly meeting, these men and their wives were treated to dinner and a get acquainted time.

Many Baptist Women from the Atlantic Baptist Association traveled to Richmond in May to observe one hundred years of missions involvement. It was Great!

We are ready for our new year, with each position filled, and looking forward to serving the cause of missions in our Association.

Mary Lou Harrell, Director

Youth
Report To The Association
1988

This past year the youth of the Association have been provided several opportunities for worship and fellowship. Cherry Point Baptist Church hosted a Christmas

program and fellowship for the youth. Two mission teams from different colleges conducted youth rallies. Temple Baptist Church had an Associational Youth Lock-in in July, 1988.

Big plans are being made for an Associational Youth Camp July 24-28, 1989 at Chowan College. The cost of $80.00 will include lodging, transportation, meals, and a trip to King's Dominion. Please mark your calendars today.

Respectfully submitted,
Buford Lewis

This does not preclude any person from being elected to serve on another committee. Any officer or committee member serving more than half a term in an office is considered to have served a full term. The expiration date of each committee member's term shall appear beside his name in the Associational Directory.

2. The ASSOCIATIONAL YEAR shall begin October 1 and close September 30.

3. PARLIAMENTARY RULES: *Robert's Rules of Order, Newly Revised,* shall be followed as the Association's rules for conducting its deliberative assemblies.

4. EX OFFICIO MEMBERS: The Moderator is an ex officio member of all committees except the Nominating Committee. The Director of Missions is an ex officio member of all organizations and committees.

"In the Executive Board of a society, if the ex offficio member of the board is under the authority of the society (that is, if he is a member, officer, or employee of the society) there is no distinction between him and the other board members. If the ex officio member is not un-

der the authority of the society, he has all of the privileges of board membership, including the right to make motions and to vote, but none of the obligations." *Robert's Rules of Order, Newly revised*, p. 402.

5. REPORTS: Written report to appear in the annual minutes shall not exceed three hundred (300 words except for History and Statistics.

6. MEETINGS: Between annual meetings of the Association, it is recommended that Monday evenings be used as far as possible for necessary associational activities.

7. AMENDMENTS: Amendments to the Bylaws may be made at any session of the Annual Meeting of the Association when presented in writing at said meeting and approved by a majority of messengers present and voting.

Brotherhood Report

First of all, I want to thank again, Keith Hamilton for his help and support. Also I want to thank each of you who participated and helped in our Brotherhood work during this last year.

Last November we had an excellent turnout of men for the Brotherhood workshop at the associational office. We had some excellent leaders for the workshop for both Baptist Men and RAs and the interest of men in our association was evident by their presence and participation.

In January 1989 seven members from First Baptist Church, New Bern, attended the State Baptist Men's Convention in Charlotte. This was five more than attended the convention in 1988 and again all of those who went agreed that it was an inspiring experience. I would like to encourage anyone involved or interested in Brotherhood work to attend the next convention which will be in January 1990 in Raleigh.

Also in January 1989 over 40 men attended an Associational Brotherhood Prayer Breakfast at the associational office. All received a blessing as we joined in prayer with the Lord. Baptist Men's prayer groups are one of the fastest growing mission activities among Baptist Men in North Carolina. I would like to encourage men in our association to get involved in starting men's prayer groups. I would be glad to help in getting a men's prayer unit started in your church. Help and information is also available through the State Baptist Men's office.

In March 1989 a RA Mission Fair was held at Cherry Point Baptist Church. The RA Mission Fair was planned and held with help and support from Keith Hamilton, Cherry Point Baptist, Tabernacle and Pollocksville Baptist Churches. Thanks to all of those who helped, I know it was greatly enjoyed and appreciated by all of the RAs who attended. Presently we do not have an associational RA Director. We really need someone to help with planning a RA Mission Fair for 1990 as well as other RA activities. If you would be willing to help, please contact the associational office.

Two Baptist Men's groups in our Association sponsored softball teams to participate in the N.C. Baptist Men's softball tournament in August 1989. If you are interested in having an associational Baptist Men's softball tournament in 1990, please let me know so that we can start making plans now.

Baptist Men have worked on several mission construction projects in our Association during the last year. Thanks to all of those who have given of their time and effort. Many mission opportunities are available to Baptist Men here in our Association, our state and around the world. We need everyone's help, ideas, and prayers on getting more men and boys involved in mission work.

Respectfully submitted,
Ron Ashe

Christian Life Report

Our Association sponsored a Family Enrichment Conference on Saturday, May 20, 1989, at First Baptist Church, New Bern. The focus of the conference was the affirmation of family togetherness. The theme was: "Anyone Can Belong to the Family of God." There were discussions on self-esteem, family recreation and crafts, home devotional life, and dealing with drug abuse. Over 75 people participated in this conference which concluded with a hot dog cookout.

Plans are being made for a 1990 conference that will discuss drug and alcohol abuse, the issue of abortion and the impact of hard rock music. It will be February 24.

You are encouraged to contact our Associational Christian Life Director or Dr. Doug Cole, Executive Director of the Council on Christian Life and Public Affairs of the Baptist State Convention, if you need printed materials on moral issues. We would be pleased to help any local church plan a Christian Life Conference.

Church Training Report

Jesus once asked his disciples, "Whom say ye that I am?" The answer came, "Thou art the Christ, the Son of the living God." The purpose of Church Training was to find out who Jesus is and what He wants us to do for Him. Jesus said, "If any man will come after me, let him deny himself and take up his cross, and follow me." (Matthew 16:24) Southern Baptists are thankful for the wonderful ministry Church Training has accomplished within the Southern Baptist Convention.

On October 1, 1989, a new ministry replaced Church Training. The new ministry is DISCIPLESHIP'TRAINING. Many of us believe that a new day calls for a new method, so is the case with Church Training, as good as it was, we all felt that a new image was needed. This new ministry will enhance us as individuals to personally get involved in the life and ministry of Jesus.

The Atlantic Baptist Associational Church Training Conference held January 23, 1989, was a great blessing to all present. Twelve churches were represented. Please make your

plans now to attend the very first Atlantic Baptist Associational Discipleship Training Conference February 22, 1990. Please have and report your Doctrine Study.

"M" Night 1988 was well attended at Trenton Baptist Church, and we look forward to seeing you November 27, 1989, 7:00 P.M. at First Baptist Church, Beaufort, NC for the next one. A good program is planned for you so don't miss it.

The Discipleship Training Team is planning to attend the ADTT Conference at Caraway Conference Center in November.

Please join the team in prayer as this vital work for Jesus continues through Discipleship Training.

Respectfully submitted,
David Adams, Director

Constitution Committee Report

No constitutional changes are proposed for the unincorporated association for the year 1989-1990.

Respectfully submitted,
Rev. Joseph Coggins

Director of Missions Report

1988-1989 was to be a year of "Revival of God's People." In many ways revival has taken place in Atlantic Baptist Association. May we continue to be all God wants us to be in our walk with Him.

1988-1989 was the year Hurricane Hugo hit the states of South and North Carolina. Amidst this great disaster, Atlantic Baptist Association was in the center helping to meet needs of others in the name of Christ. Over $100,000 worth of food and supplies were sent to First Baptist Church, Sumter. At least 45 people from 12 associational churches lent a helping hand in Sumter. As a result, our witness has been proclaimed.

1988-1989 was the year that Atlantic Baptist Association was selected as one of four associations being reviewed by the Baptist State Convention of NC for its excellent missions program.

1988-1989 was the year talk began between Rev. Bill Stillerman, President of the Baptist Retirement Homes, and the Association about the possibility of establishing a retirement center locally.

1988-1989 was the year 28 churches participated in the World Missions Conference. Missionaries all over the world came to our area to tell about how God is still working in missions.

1988-1989 was the year associational giving was up 10 percent. Over the past three years giving has increased from $65,798 to over $100,000 or a 52 percent increase. Appreciation is expressed to all churches in the Association for their increased giving to our goal of every church giving five percent to associational missions.

1988-1989 was the year of thanksgiving for a great associational staff. Sumiko Sidelinger, Director of Japanese Ministries, Curt Finch, Director of Resort Ministries, and Gloria Ross, Secretary, make up this excellent team. We are very fortunate to have each of them serving our Lord through our Association.

1988-1989 was the year we had our first associational youth camp in a number of years. Over 60 youth from different churches in the Association attended the camp. Lives were changed.

1988-1989 was the year God called three faithful servants home. Friendships here will be missed from Rev. Barry Jordan, Dr. Robert Pittard and Mrs. Virginia Watry as they are home with our Lord.

1988-1989 was the year a new mission was started on Harkers Island Road. Island Road Baptist Chapel under the leadership of Rev. Marvin Haire began their first service on September 24, 1989.

1988-1989 was the year of waiting on property for three new mission starts. Indian Beach, Brice's Creek and West Havelock are three prime areas to start new churches, but finding available meeting sites has been difficult.

1988-1989 was a great year for Atlantic Baptist Association. May we never forget the lessons the Lord has taught us this year. God is faithful and good to those who love Him.

Together in Christ,
Keith Hamilton

Membership Committee Report

Your Membership Committee is happy to recommend that the McCotter Boulevard Baptist Church be accepted into full membership in the Atlantic Baptist Association.

The McCotter Boulevard Church has met all constitutional requirements for membership, having cooperatively participated in associational life for one full year under the watchcare provision of our constitution (Article III, Section 3).

The McCotter Boulevard Church, Rev. Kincy Barrow, pastor, uses Southern Baptist Sunday School Board literature, makes monthly contributions to world missions through the Cooperative Program (five percent) and to associational mission causes (two percent).

Currently Sunday School enrollment is 64, with a church membership of 36. Average worship service attendance has grown from 25 to the 50s and 60s this summer.

The church experienced a change of pastoral leadership during the year. In April Rev. Kincy Barrow was called as interim pastor. In July the church voted to call Rev. Barrow as full-time pastor, and on August 20 (with 74 persons present) Rev. Barrow was ordained to the gospel ministry.

Your Membership Committee, composed of Charles Allard, Chester Hawk, Howard VanSice and Don Hadley, rejoices with the people of the McCotter Boulevard Church in the blessings of God, and enthusiastically recommends them to the messengers of the 1989 annual meeting for election to full fellowship and membership.

Respectfully submitted,
Don Hadley, Chairman

Missions Development Committee Report

Our Association has continued to move forward in many ways this past year. Some significant events have occurred. Below are a few of the highlights of 1988-1989.

1. The Association noted to help financially Neuse River Baptist Church and Victory Chapel in Long Island, NY for the coming year.
2. The Association is still committed to starting new works. Thus, we voted to continue helping McCotter Boulevard Baptist Church and East Carteret Baptist Chapel. In addition, financial support is being made available to the Association's new mission, Island Road Baptist Chapel.
3. The World Missions Conference was a tremendous success. Twenty-eight churches participated in the WMC during September 17-20, 1989. Missionaries spoke to at least 1,000 students in 14 schools.
4. Church Growth Assistance funds from the Baptist State Convention of NC were sought and received for Neuse River, Huggins Memorial, Broad Creek, and East Carteret Baptist Churches.
5. Dr. Curt Finch was called as the new Director of Resort Ministries March 1, 1989. Six teams from throughout the United States conducted ministries on the beaches this summer. Bible Clubs were conducted at area campgrounds. Over 10,000 flyers were handed out by the teams to residents and tourists on the beaches.
6. McCotter Boulevard Baptist Church was able to move into its new building on McCotter Boulevard. Attendance has increased since their move.
7. Mrs. Sumiko Sidelinger has just completed her fifth year as Director of Japanese Ministry for Atlantic Baptist Association. She has done an outstanding job. Ladies and their families are being reached with the Gospel of Jesus Christ because of her.
8. The Association assisted Huggins Memorial Baptist Church with rental payments during the time their parsonage was being rebuilt because of water damage.
9. The Association has continued to support the Seaman's Center at the Morehead City Port. This valuable ministry provides Bibles and a witness to sailors around the world.

10. Dr. Keith Parks challenged the Association during the annual mission's rally at First Baptist Church, New Bern. We constantly need to be aware of our call to missions.
11. The Association is still looking forward to when it can financially afford a church and community worker to help meet the many special needs in the area.

May we, as an Association, continue to respond to the call of missions.

Dr. Jack Hinton

Music Report

CHURCH MUSIC IS HERE TO STAY! Just think how it would feel to have a worship service without any music. . . . to have a wedding without any music. . . . to have a funeral without any music. We should give of our very best to see that all of our churches have the very best music program they can. As your Associational Director of Music, I am here to help you whenever possible. One of the highlights of the summer was a "children's music day camp." The boys and girls seemed to learn a lot more about music that day. We hope to do this again next summer.

We had a supper and "get-to-gether" for all choir directors or song leaders in our Association. We needed to get to know each other and help each other all we can. Many of us have music sitting on the shelf gathering dust when someone could be using it. We had this meeting in the associational center on Monday night October 16.

I imagine everyone has just about learned their Christmas music by now. . . . share it with others outside your church. Sing at a mall, sing at another church, sing at a rest home. Share the beautiful sounds of Christmas with others.

REMEMBER in 1990 to make music come alive in your church. Give it the best that you have.

Musically yours,
John Thompson, Director

Ordination Committee Report

The Ordination Council meets at the request of churches to examine candidates for the Gospel Ministries according to the person's call to the ministry. The council examines them on their conversion experience, call to the ministry, doctrinal beliefs, faith, and their attitude toward Baptist work. This council then makes suitable recommendations to the churches making the request. We are glad to report that this council met three times during the year. We examined five candidates and recommended them to the churches making the request.

Rev. James E. Oliver

Seminary Extension Report

Seminary Extension continues to grow throughout the SBC. Presently there are over 5,000 Seminary Extension Centers certified through the Seminary Extension Department. The great majority of these are locally sponsored by an Association of Baptist churches, just like ours.

This past Winter Quarter we had two classes taught; each class had eight students. Rev. Bill Parker, pastor of Marshallberg, taught "Romans" in his local church setting. Dr. Don Hadley taught "New Testament: The Gospels" at the associational center. Our students were part of a student body of more than 7,000 nationwide who took one or more Seminary courses.

At least three classes will be offered during the Winter Quarter 1990 (January 11 - March 8). These classes will be: "New Testament: Acts," taught by Rev. Randy Hawkins; "Ministry to the Military," taught by Dr. Don Hadley; and "Ministry to the Terminally Ill," taught by Rev. Bill Voorhes. There is the possibility that a music class and Dynamics of Teaching will also be offered. If you are interested in any of these classes, please contact your Seminary Extension Director at 633-3330, or Keith Hamilton at 447-4593.

More than 75 courses are now available from the Seminary Extension Department. Individuals concerned with strengthening their ministries can take these courses either in an extension center or by correspondence study. It should be noted that these courses are not exclusively designed for the pastor and/or staff members, but all persons interested in equipping themselves more fully as Christian leaders.

Respectfully submitted,
Rev. Bill Voorhes, SED Director

Stewardship Report

An Interpretation Conference for "Growth In Giving" was held at the Quality Inn, New Bern, on April 24, 1989. The theme should have challenged all members of God's Family to examine their giving to God in light of God's giving to us.

All churches in Atlantic Baptist Association are encouraged to grow in awareness of world missions and their responsibility to it. The Association encourages churches to plan balanced budgets with giving at least 10 percent to the Cooperative Program and five percent to Associational Missions.

Respectfully submitted,
Rev. Terry McInnis

Sunday School Report

Hope. It is a strong word, a beautiful word. It is a word of joy, a word of comfort. Over and over, the word hope and the theme hope appears in God's Word.

Nothing is needed more in today's world than hope. During this final year of Challenge 10/90 the Sunday School theme is Share Hope. . . Reach 10. It is quite fitting that in this 1989-90 year, the theme for the simultaneous revival emphasis is "Here's Hope: Jesus Cares For You." We in the Atlantic Baptist Association will have the opportunity to join hands and hearts with our brothers and sisters in Christ and share hope with millions who have no hope at all in their lives. The Sunday School theme, Share Hope. . . Reach 10, has a clear and simple focus. Sunday School workers and members are hope sharers.

During this past year, several training events have been conducted to assist us as Sunday School workers to become better equipped and trained for the ministry which God has called us to perform. A Sunday School Training Workshop was held on March 13 at First Baptist, Havelock. Our second workshop was a Sunday School Growth Conference which was held on September 7 at the Cherry Point Baptist Church. A large number of persons participated in both of these events and shared in ways to become better enabled to minister to the needs of people.

1989-90 promises to be a year of excitement and growth in Sunday Schools throughout the Atlantic Baptist Association. We are called to share hope with people. Our ministry is to touch lives and change people with the transforming message of the Gospel. During 1989-90 several Associational Sunday School Workshops and Conferences will be held. Encourage the workers and leaders in your Sunday School to participate and to be involved.

If there is any way that I or any member of the ASSIST team can help you or your church's Sunday School, please feel free to call upon us.

This year in Sunday School — SHARE HOPE. . . . REACH 10!

In His Name,
Tim Lolley, ASSIST Director

TACMO Report

TACMO (The Associational Church Media Organization) had a year of excellent training opportunities for our media personnel.

In our November 1988 meeting a planning session was held to determine courses that would enhance our skills in our ministry as church media library staff. Three churches were represented with Morehead First serving as host. Following our planning/business session, those attending shared past book clubs that were promoted through their media centers.

Rev. Tim Lolley of Tabernacle Baptist, New Bern, led a study of the book entitled *A Church Media Library at Work* at our February 1989 meeting. Sixteen people were in attendance, a most encouraging sign for increased interest in our media work. The host church was Tabernacle Baptist.

In May Mr. Bill Boatwright of our Baptist State Convention Communications Department led in the study of the book entitled *Ears to Hear, Eyes to See: Witnessing Through Media.* Three churches were represented at this meeting. A new video produced by our State Convention was previewed at this time also. This new video highlights some goals and achievements of our Baptists at work here in North Carolina. Temple Baptist was the host church.

"How To Use Bible Study Helps" was taught in our August meeting at Temple Baptist Church. The study, led by Gail Edge, was held not only to familiarize the media staff with the tools for Bible study, but to better equip them to teach it in their churches. This would, hopefully, lead to an increase of church members using the media center more often as well as increasing their knowledge of God's Word. Four churches were represented with 12 in attendance. Plans for meetings in 1990 were also discussed at this meeting.

"A Library for Every Church" is a major mission for TACMO in the coming months. Make this a primary goal for your church as you plan for your media library.

Respectfully submitted,
Gail Edge, TACMO Director

Below is a list of our Church Vacation Bible Schools and their enrollments reported to the Association. If your church is not listed and you had a VBS, please let me know.

Woman's Missionary Union Report

"A Future To Fulfill/Launching Century 2 - 1988-89," WMU has just completed the first year of our second century.

Our council attended the State Leadership Workshop at First Baptist Church in Kinston on August 6. We were preparing for the Leadership Conference in Atlantic Association that was held in September at Cherry Point Baptist Church in Havelock.

We were asked to participate in providing Christmas gifts for inmates at Woman's Correctional Center in Raleigh. Our gift this year was wash cloths. We collected so many that we were able to share with Baptist Children's Home, Kinston, Hamilton Home and the Coastal Woman's Shelter in New Bern. As usual, the response was great.

Our Winter Beach Retreat was held in January. For the first time it was held at the Holiday Inn in Atlantic Beach. Our speaker was Miss Sarah Wilson, missionary to Argentina. More than 100 ladies attended, the largest number ever!

May was a busy month for WMU. We honored our pastors, staff and their wives at the fifthy Appreciation Day. It was held at the Associational Center and dinner was served by the WMU Council. On May 7, Nancy Curtis, Executive Director of North Carolina WMU, led us in a Leadership Conference. We met at Colony Baptist Church, New Bern, and about 40 ladies were present. Several pastors also attended.

In September our Association held a World Missions Conference. It was a time of learning and also a great way to start our new year.

Respectfully submitted,
Mary Lou Harrell

Youth Report

This past year was a year of increased activity and involvement for our churches and their youth. There was a Youth "Olympics" held on October 8, 1988. Hal Melton of the State Convention led a training seminar for our Association's youth leaders. An Associational Youth Council was formed and met several times to plan and carry out youth functions. On March 17, 1989, a youth rally was held, led by a team of students from Auburn University. On July 24-28, 1988, we had 62 youth and adults attend our Associational Youth Retreat at Chowan College. The camp pastor was Michael Capps. We had participants from Fort Barnwell, First Havelock, Base Chapel, National Avenue and Temple Baptist Churches. A Pizza Party followed by a praise service, led by Agape Ministry from Victory Chapel in Long Island, was conducted on August 15, 1989.

Buford Lewis

COMMITTEE ON COMMITTEES: This Committee shall be composed of seven (7) members representative of all areas of the Association and shall be nominated by the Nominating Committee and elected at the annual session. They shall serve from the end of each Annual Meeting until the end of the next Annual Meeting. They shall be responsible for selecting all standing committees, including the chairman for the Association. Each proposed committee member shall be contacted and his personal approval obtained before his name is placed on the report to the Association. It shall also assist the Executive Committee in filling vacancies on all standing committees occurring between sessions.

ARTICLE XIII - AMENDMENTS

This Constitution may be amended at any Annual Meeting of the Association by a two-thirds majority vote of the messengers present and voting, providing that written notice be given all members of the Executive Committee at least one week before the Annual Meeting and that any proposed amendments be presented to the first session of the Annual Meeting and voted on at the last session. In the case of either a new or revised constitution, a copy shall be made available to the members of the Executive Committee at least a week in advance of the annual session, ample time and a place on the program be given for its consideration. All proposed changes shall be submitted first to the Constitution Committee for consideration and study.

Bylaws

1. COMMITTEES: Members of all standing committees shall serve a three year term, and a lapse of one year must ensue before election to the same committee. This does not preclude any person from being elected to serve on another committee. Any officer or committee member serving more than half a term in an office is considered to have served a full term. The expiration date of each committee member's term shall appear beside his name in the Associational Directory.

2. The ASSOCIATIONAL YEAR shall begin October 1 and close September 30.

3. PARLIAMENTARY RULES: *Robert's Rules of Order, Newly Revised,* shall be followed as the Association's rules for conducting its deliberative assemblies.

4. EX OFFICIO MEMBERS: The Moderator is an ex officio member of all committees except the Nominating Committee. The Director of Missions is an ex officio member of all organizations and committees.

"In the Executive Board of a society, if the ex offficio member of the board is under the authority of the society (that is, if he is a member, officer, or employee of the society) there is no distinction between him and the other board members. If the ex officio member is not un-

der the authority of the society, he has all of the privileges of board membership, including the right to make motions and to vote, but none of the obligations." *Robert's Rules of Order, Newly revised*, p. 402.

5. REPORTS: Written report to appear in the annual minutes shall not exceed three hundred (300 words except for History and Statistics.

6. MEETINGS: Between annual meetings of the Association, it is recommended that Monday evenings be used as far as possible for necessary associational activities.

7. AMENDMENTS: Amendments to the Bylaws may be made at any session of the Annual Meeting of the Association when presented in writing at said meeting and approved by a majority of messengers present and voting.

Brotherhood Report

Last November we had an excellent turnout for the Brotherhood conference at the Associational Center. Workshops were provided for Brotherhood, Baptist Men, and RA workers. We are planning another workshop for October 29, 1990, at 7:00 P.M. at the Associational Center.

The "Barn Raising Day" at Huggins Memorial Baptist Church was a tremendous success. On September 15, about 45 men and women from eight different associational churches roofed, painted, and built at the church. As a result, a new roof was put on the sanctuary, the steeple and the sanctuary were painted, and a porch railing was built on the parsonage. The ladies of the church provided an excellent lunch.

Finally, let me encourage each church to involve their men and boys in missions. You will not regret it.

Respectfully submitted,
Mr. Ron Ashe

Building and Grounds Committee Report

During 1990 the Associational Center was cleaned by Mr. and Mrs. Rodney Voisine. The grounds were kept by William Miranda and Sons. Five windows were replaced due to weather damage and the remaining windows were resealed.

Respectfully submitted,
Dr. Don Hadley

Christian Life Report

Due to a growing interest in the occult, we invited Chaplain Dale Parker of MCAS, Cherry Point, to speak at the annual associational family life conferences. The meeting was held at the Newport Baptist Church on March 3, 1990, with approximately 60 persons in attendance. The session was most informative in nature.

Plans were made to conduct a second seminar during the summer of 1990 if the North Carolina General Assembly had passed a motion to allow the issue of a lottery to be on the ballot in November. Since this proposal never got out of the legislature, the seminar was not necessary. However, if in the future we are faced with such an issue before the public, we shall attempt to keep our people informed.

Dr. and Mrs. John Drakeford, noted speakers and writers in the area of family relationships, are scheduled to speak October 19-21, 1990, at the First Baptist church in Havelock. Our churches were invited to participate.

If you have suggestions for future Christian Life Conferences, please contact the Director.

Respectfully submitted,
Dr. Thomas M. Denton

Constitution Committee Report

In light of the Southern Baptist Convention controversy, the constitution committee of Atlantic Baptist Association would like to recommend an affirmation of our preamble, name, purpose, membership, and authority of the association. Whereas, this affirmation will provide the association a framework to do missions in the coming years.

PREAMBLE

We, the members of Missionary Baptist churches cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention, located in the counties of Carteret, Craven, Beaufort, Pamlico, and Jones, in the State of North Carolina, do propose to establish and maintain the principles, order and rules of a District Baptist Association in conformity to the following plan:

ARTICLE I - NAME

The Association shall be known as the Atlantic Baptist Association of North Carolina.

ARTICLE II - PURPOSE

It is the purpose of the association, under the leadership of the Holy Spirit, in cooperation with the State and Southern Baptist Conventions, to undergird, provide resources, and assist in the growth of the local churches, in the promotion of Christian missions, training, evangelism, education, social ministries, new church starts, fellowship, and counseling in crisis situations and church polity.

ARTICLE III - MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches in the area of the Association. A cooperation church shall be any church that maintains a spirit of cooperation and supports the objects of this Association.

SECTION 2. The association shall determine its membership and may receive or reject churches according to the Constitution and Bylaws of the Association.

SECTION 3. Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this Committee and accepted by the Association shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the Membership Committee, membership within the Association of such churches shall be confirmed by the vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

SECTION 4. Any church may be granted a letter of dismissal to unite with another Association by presenting a written request at the Annual Meeting of the Association. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation and to support the objects of this Association.

ARTICLE IV - MEETINGS

SECTION 1. The Association shall meet twice each year. On the Thursday and Friday after the fourth Sunday in October, it shall hold an annual meeting. On the fourth Thursday in April it shall meet for the purpose of electing the Associational Officers and Committee members, the transaction of miscellaneous business, and an associational program emphasis. This meeting in April shall be called the Midyear Meeting. Those officers elected at the Midyear Meeting will begin active service at the beginning of the new associational year.

SECTION 2. Special meetings may be called by the Moderator upon written request by any representative group, or by the Executive Committee, provided two weeks notice is given and adequate reasons are given to affiliated churches. No business shall be considered at such a special meeting except that for which the meeting was expressly called.

SECTION 3. Each church shall elect annually one (1) messenger to the meeting of the Association for each fifty (50) members of the church, provided each church shall have not less than three (3) nor more than ten (10) messengers. In addition to these, pastors of member churches shall serve as messengers. These shall, along with the Director of Missions, Associational Officers, Committee Chairpersons, Directors, and all other persons who are presently serving in an elected position on the Associational level, constitute the voting body of the Association. The names of messengers printed in the minutes shall include only those attending and registering at the time of the Annual and Midyear meetings of the Association.

ARTICLE V - AUTHORITY

It is understood that each affiliated church is independent and sovereign in its own affairs and this Association has no authority over the churches. Relationships are strictly cooperation in practice and advisory in nature.

Respectfully submitted,
Rev. Manly Murphy

Directors' Report (Trustees)

The directors have held the property of the association located at 602 Miller Boulevard, Havelock, North Carolina, in trust for the association during the past year. We have seen to it that any necessary repairs have been made, the yard kept, and the equipment adequately maintained.

Respectfully submitted,
Mr. Bill Loftin

Director of Missions' Report

The year 1989-1990 was to be a year of "Extending Christ's Mission." In many ways this happened, but we must never be content with our past, but continually striving forward to serve our Lord.

The year 1989-1990 was the fourth year in a row that baptisms have increased in our association. To God be the glory!

The year 1989-1990 was the year our association made a difference in helping establish a chaplaincy program at the Craven Regional Medical Center.

The year 1989-1990 was the year Baptists stood up against LBD in Pamlico County and beer sales at the Havelock Chili Festival. Both were defeated due to Baptists being counted.

The year 1989-1990 was a year of peace and threat of war. Associational churches responded with food and financial assistance for military families whose loved ones are deployed in the Gulf crisis. A "Time Out For Mothers" program was established to aid Baptist churches in Havelock in providing for emotional and spiritual needs of spouses whose husbands or wives are deployed.

The year 1989-1990 was the year the association was challenged by Miss Mildred McWhorter Director of the Baptist Mission Center, in Houston, Texas. The association responded to her challenge by giving her the largest love offering she has ever received - $1,776.00.

The year 1989-1990 was the year different fellowship groups like senior adult, youth, singles, secretaries, and ministers continued to strengthen or take on new directions.

The year 1989-1990 was the year this association made a difference in abolishing the sales tax on church meals. Rep. Bruce Ethridge, Carteret County, led the movement to exempt churches from this tax.

The year 1989-1990 was the year of transition in a lot of the associational churches.

The year 1989-1990 was an record year for associational giving. Receipts are up over 13 percent from the previous year.

The year 1989-1990 was the year the Southern Baptist Convention controversy came alive in the association. At the August 4, 1990 Ministers' Conference, the controversy was discussed and its implications for associational missions. Once again the ministers affirmed the constitution of the association as the way to do missions locally. It is my prayer we may continue to serve the Lord through His association.

Discipleship Training Report

Jesus said, "And I, if I be lifted up from the earth, will draw all men unto me." (John 12:32) This is the ministry of Discipleship Training of telling men about Jesus and the wonderful work he finished while on earth. The Atlantic Baptist Association Discipleship Training Conference held on February 22, 1990 was indeed a spiritual blessing to all who

attended. A delicious meal was served and the conference a great success.

Please report all work you do.

"M" Night was well attended. We wish to thank all who came to First Baptist Church, Beaufort.

Respectfully submitted,
David Adams, Director

Evangelism Committee

Many of the churches in our association held "Here's Hope: Jesus Cares For You" revivals. It was an exciting time experiencing many new births. We salute all the churches involved, but single out the Atlantic Church under the leadership of their pastor, Terry McInnis. The revival went extraordinarily well there; they had to extend it an additional week. They had 41 professions of faith and many rededications. Congratulations, Atlantic.

In addition to and in conjunction with the "Here's Hope" revivals, our Director of Missions, 15 pastors and church members traveled to the Canadian province of Alberta. They worked with 10 churches in conducting evangelistic services. One of those churches was a Chinese speaking church; David Adams preached there through an interpreter. There were many professions of faith, much growth experienced within the churches, and several rededications.

Executive Committee Report

JANUARY 8, 1990: Rev. Terry Farmer, Presiding

The committee approved cooperative agreements with the Baptist State Convention of North Carolina in a number of areas. A Canadian partnership with Midwest Baptist Association in the Providence of Alberta, Canada will be held April 1-6 to help them conduct their simultaneous revivals. Plans for a seminar on Satanism at Newport Baptist Church were announced. The WMU did an outstanding job of collecting toothpaste for the ladies in prison.

MARCH 26, 1990: Rev. Terry Farmer, Presiding

Over one hundred ladies attended the WMU Annual Missions Retreat at Atlantic Beach, North Carolina. The association was instrumental in securing a chaplain at Craven Regional Medical Center. The Seminary Extension Course, Acts, is being taught by Rev. Randy Hawkins. Special financial assistance was given to Broad Creek. Simultaneous revivals were held the week earlier. Atlantic Missionary Baptist Church revival services were extended because of the large number of rededications and professions of faith.

JUNE 18, 1990: Rev. Terry Farmer, Presiding

Dr. Curt Finch introduced Atlantic Baptist Association's Resort Ministries for the summer. It was announced Rev. and Mrs. Donald Gowin of St. James, Missouri, would be in the association during the months of September and October conducting clowning seminars and to work in festivals. A total of 103 youths and adults are signed up for the associational youth camp at Chowan College the week of July 16, 1990.

SEPTEMBER 24, 1990: Rev. Keith Hamilton, Presiding

A call was issued for volunteers to help staff a "Time Out For Mothers" at the three Baptist churches in Havelock for spouses whose loved ones are deployed. Churches have also responded with food and financial assistance for military dependents. Over 80 people attended the Sunday School workshop at Tabernacle Baptist Church on September 20, 1990.

An affirmation meeting of the association's constitution was held during the ministers' conference on August 6, 1990. Atlantic Baptist Association Day was held at the Baptist State Convention of North Carolina's building in Cary, North Carolina, on August 16.

Missions Development Committee Report

The Association's Mission Development Committee had a very busy year for 1989-1990. Below are a few of the highlights of this exciting year:

1. Church Growth Assistance funds from the Baptist State Convention of North Carolina were sought and received for Broad Creek, East Carteret, Neuse River, and Huggins Memorial Baptist Churches.
2. Mrs. Sumiko Sidelinger has just completed her sixth year as Director of Japanese Ministry for the association. She continues to teach the Bible in Japanese twice a week plus nurture and encourage ladies and their families to come closer to our Lord.
3. Dr. Curt Finch has completed his second year as Director of Resort Ministries. Almost 6,000 flyers were handed out by the resort teams on our beaches and waterfront settings. Thousands of people were witnessed to by these teams.
4. The association continues to support the Seaman's Center at the Morehead City Port with Bibles and financial assistance. The center provides a ministry and witness to sailors across the world.
5. Ms. Mildred McWhorter challenged our association during the annual mission rally held at Newport Baptist Church on May 4, 1990. Mildred is the Director of the Baptist Mission Centers in Houston, Texas. A $1,776.00 love gift was given to her.
6. The churches in the association gave over $100,000 worth of food, clothing, blankets, and building materials to victims of Hurricane Hugo.
7. A quarterly secretarial conference continues to grow in numbers and training opportunities.
8. The semi-annual senior adult rallies continue to be exciting events for 120-150 senior adults in our association.
9. Fifteen people from ten associational churches participated in simultaneous revivals in the Midwest Baptist Association in the Providence of Alberta, Canada. God's spirit moved and over a hundred rededications and professions of faith were made during the week.
10. The annual State Missions Banquet on August 20, 1990, was led by Dr. Burke Holland of the Baptist State Convention of North Carolina. A lot of excellent information was shared about state missions.
11. A task force was formed to study the feasibility of a church and community worker.

Finally, we continue to be thankful to our Lord for how he has continued to bless our association as we strive to serve Him.

Rev. Randy Hawkins

Music Report

This year I WANT TO SALUTE all the volunteer music leaders, accompanists, and choir members. Where would we be without them? In all of our churches we have many, many people who give hour after hour to make music ministry of their church work. They have to spend time away from their family, try to learn the music the best they can, put in "extra" hours near the special program times, and even sing some music they don't really like. Every time you have an opportunity, tell them how much you appreciate them. Just think what your church would be like without them.

We again had a wonderful "children's music day camp." I'm looking forward to it again next summer. This winter we will be having an associational music workshop for adults. We will be giving you more information later. Always remember that if I can help you....give me a call.

Musically yours,
John Thompson

Ordination Committee Report

The Ordination Committee meets at the request of churches to assist them in examining candidates for the gospel ministries according to the person's call to the ministry. The committee examines them on their conversion experience, call to the ministry, doctrinal beliefs, faith, and their attitude towards Baptist work. The committee then makes suitable recommendations to the churches making the request. Our committee met three times during the year and examined three candidates. We recommend them to the churches making the request. They were: Ed Fordham, Tabernacle; Dick Barber, Tabernacle; and Michael Huffman, Tabernacle.

Resolution Committee Report

BE IT RESOLVED:

1. That Atlantic Baptist Association express its sincere thanks to our Moderator, Rev. David Adams, for the outstanding manner in which the business of this Association has been conducted.
2. That an expression of sincere gratitude be expressed to all those who had a part in the fine program: Rev. Robert Watson and Rev. Ray Whitby for the challenging messages; Rev. and Mrs. Donald Gowin for their presentations; Rev. John Thompson for leading the music; the Choirs of St. John's Baptist Church and First Baptist Church, Morehead, for the inspiring music; to all those who presented the informative reports of our associational and denominational work.
3. That heartfelt thanks be expressed to the host churches of Morehead, First, and Victory for the excellent manner in which they provided for the comfort, care, and worshipful environment enjoyed by all those attending the meeting.
4. That our appreciation be expressed to Mrs. Patty Hamilton for the excellent job of preparing the Book of Reports.
5. That our Association may seek the God of Hope as we renew our commitment to Jesus Christ. To this end may we unite in a common purpose.

Mrs. Dianne Ezell

Resort Ministry Report

This has been an exciting year for resort ministry. During the months of June, July, and August we welcomed seven mission teams which led in our ministry to tourist and residents in the coastal areas of our association. The seven ministry teams were from: First Baptist Church of Naples, Florida; First Baptist Church of Baldwyn, Mississippi; State Street Baptist Church of Cayce, South Carolina; First Baptist Church of Fort Payne, Alabama; Broad Street Baptist Church of Hawkinsville, Georgia; Calvary Baptist of Fort Meade, Florida. Each team brought to the ministry special talents which were used to reach people with the Good News of Jesus Christ.

Each visiting teams conducted Backyard Bible Clubs in area campgrounds. Several of the teams led Bible Clubs on the beach itself. The missions teams also presented programs of music and puppetry at sights where many people congregate in the evenings. The four locations for the evening programs were: the Beaufort waterfront, the Morehead City waterfront, Atlantic Station shopping center, and the Holiday Travel Park campground. A final aspect of the summer resort ministry was the distribution of information brochures which outlined the resort ministry and also invited people to attend our coastal Southern Baptist churches. Six thousand of these were distributed.

As Director of Resort Ministries, I express by gratitude to the talented and self-giving young people and adult leaders who journeyed from distant places to share their lives with the thousands of people who were the recipients of their ministry gifts. I also thank the owners and managers of Salter Path Family Campground and Holiday Travel Park Campground for opening their facilities to be used in this ministry. Gratitude is extended as well to the town officials and merchants of Beaufort and Morehead City and to the management of Atlantic Station Shopping Center for their willingness to allow our groups to present ministry programs in their settings. Special thanks goes to First Baptist Church of Beaufort in their sponsorhsip of the evening ministry in their community.

It was my pleasure to coordinate the resort ministry this summer and work with the visiting teens. I was able to be present two evenings each week for the presentation in the public settings and observe a part of the Bible Club ministries three mornings each week. I also greeted each team when they arrived and briefed them on the many aspects of their ministry with us. Most rewarding for me was to witness the sharing of ministry gifts on the part of our visiting teams and witness the warm reception they received from the tourist and residents in the coastal community. It was a summer of many special blessings.

Seminary Extension

Rev. Randy Hawkins, pastor of Colony Baptist, New Bern, served as our Seminary Extension teacher in New Testament studies. "Acts" was the subject matter. The students in our center were part of the more than 7,000 Seminary Extension students nationwide.

More than 75 courses are now available from the Seminary Extension Department. Individuals concerned with strengthening their ministries can take these courses either in an extension center or by correspondence. It should be noted that these courses are not exclusively designed for the pastor and/or staff members, but all persons interested in equipping themselves more fully as Christian leaders.

If you have an interest in having a certain class taught, please contact your associational office and we will strive to meet your needs.

Stewardship

The "Witness/Giving Life" was the focus of the 1990 Spring Key Leadership Conference held at Fort Caswell. Dr. Cecil Ray taught his book, *Witnessing-Giving: These Go Together* to all Stewardship Directors. A video tape on Witnessing/Giving was given to me and brought to the Association office. This tape can be used by area churches.

A Witness/Giving workshop was given at the Atlantic Association office on August 23, 1990. A notebook containing all the written reports which made up Cecil Ray's book was given to the Atlantic Association. This notebook can be checked out by area churches.

Witness/Giving Life Revivals will be promoted throughout the convention in the spring of 1991. The revivals are aimed at calling church members to make a commitment to the Witness/Giving Lifestyle of living. The Witness/Giving life Emphasis will be promoted through the year 1995.

I have attended a workshop at Caraway on October 22-24, 1990. The workshop was *Christian Money Management.* The workshop was for couples. Now my wife and I are available to teach the workshop at area churches or at the associational's office.

Sunday School Report

In the beginning, God broke through the void and nothingness, and created the heaven and earth.

In the fullness of time, when religious faith and practice had petrified into an endless system of tedious laws, GOD BROKE THROUGH, and sent His only Son into the world as Redeemer, Saviour and King.

BREAKTHROUGH. God reaching down and touching the hearts and lives of people so that they were never the same again. As Southern Baptists enter the last decade of the twentieth century, we are reminded of a commitment. Fourteen years ago, we committed ourselves to share the gospel with EVERY person in the world by the year 2000. This commitment, called Bold Mission Thrust, is still a distant reality.

Covering Jones, Carteret, Craven, Pamlico, and Beaufort counties, Atlantic Baptists stand at the door of a breakthrough as we seek to minister to the needs of our people. A BREAKTHROUGH can begin, as it has so many times, with one person - one individual who will take God at His Word and reach out to win. Pray that this year, we will BREAKTHROUGH in sharing God's love with the people of our area and to the ends of the earth.

During this past year, several training events have been conducted to assist us as Sunday School workers to become better equipped. A Sunday School Training Workshop was held on March 15, 1990, at First Baptist, Morehead City, with approximately 80 persons in attendance. Our fall Sunday School Workshop was held on September 20, 1990, at Tabernacle Baptist, New Bern. Workers from 17 churches participated in this event which focused on outreach and growth principles.

The year 1990-91 holds many exciting moments of growth and ministry as we minister through the churches of the Atlantic Baptist Association with various workshops and growth events. Your ASSIST team stands ready to help you in any way that we can and would welcome an opportunity to work with your church. Please let me know if there is any way that we can help.

BREAKTHROUGH - REACH TO WIN!

In His Name,
Rev. Tim Lolley
ASSIST Director

T.A.C.M.O. Report

It has been written that "without books, God is silent, justice dormant, natural science at a stand, philosophy lame, letters dumb, and all things involved in darkness." T.A.C.M.O. works toward making this an unfulfilled statement in our churches. Instead, we look at our "initialed title" as meaning "Teaching and Challenging Minds Often."

Our first step toward this in the past year began with the study course entitled, *How To Process Media*, at our February meeting, led by Marion Taylor and Grace Canady of Tabernacle Baptist Church. The meeting was attended by 16 people and hosted by First Baptist, Morehead.

Our second venture toward training and challenging minds was at our May meeting where we learned more about the preparation and maintenance of a functional vertical file in the media centers. This was led by Gail Edge and hosted by Bogue Banks church. The attendance for this learning session was 12.

In the August meeting, Mrs. Fay Leary, Assistant Library Director for Craven-Pamlico County Library and member of First Baptist, New Bern, instructed the group in classifying and cataloging material. Ten ladies attended this session, with Tabernacle serving as host.

Our November 1990 meeting will be a planning meeting by the T.A.C.M.O. Officers.

Perhaps the most important achievement this year will be that of renovating a workroom at the Associational Center as the Media Library. New shelves and cabinets will house various audio and video resources as well as equipping modules and periodicals for use by the churches of the association. You can make this an eventful year of learning by using these materials, helping us in the selection of needed resources, and supporting us in "growing libraries" in the association.

Respectfully submitted,
Mrs. Gail Edge

VBS Report

This year was not a good year for VBS enrollment. Most of the associational churches showed a decrease in VBS enrollment and attendance. Let us try to turn these figures around the coming year for Vacation Bible School is a tremendous outreach tool for telling all ages about God's salvation for man.

WMU Report

"In His Name, Reach, Teach, Touch - 1989-1990." This has been our theme for the year. In preparation for the new year, our council members attended a State Leadership Workshop at Adamsville Baptist Church in Goldsboro in August. In September, we held our WMU Associational Leadership Conference at the association office in Havelock.

In October we held our Annual Associational WMU meeting at Temple Baptist Church. The speaker for Baptist Women was Nancy Curtis, Executive Director of North Carolina WMU. Meetings were also held for Acteens, GAs, and Mission Friends at the same time. Each of these organizations contributed to the meeting before leaving to conduct their own activity.

This year our gift for woman's Correctional Center Christmas Project was toothpaste. This has become an annual project for our organization.

In May we held our sixth Appreciation Day for pastors, staff and their wives. This was held at the association office at their regular monthly meeting.

We would like to express our appreciation for the help we received from the staff at Atlantic Association. Their cooperation makes our jobs much easier.

Respectfully submitted,
Mrs. Mary Lou Harrell

Youth Report

The highlight of the 1989-1990 associational youth report is the Associational Youth Camp held at Chowan College the week of July 16. Over one hundred youth and counselors attended this camp. Rev. Michael Capps was once again the camp pastor. He did an outstanding job of challenging our youth to live Christ centered lives.

The Agape singing and testimonial group from Victory Chapel in Long Island, New York, presented a youth program at Temple Baptist Church on August 13. Also, college students from Itawamba Junior College in Mississippi led a special youth rally at First Baptist Church, Havelock, on March 16.

A youth ministry workshop was held on February 6, 1990, at the Associational Center to help better equip local youth leaders.

Respectfully submitted,
Rev. Buford Lewis
